Exceptional value with so much included

At Distant Journeys, our aim is to offer exceptional value without compromising on the quality of your experience. We only take bookings directly from our customers, avoiding expensive travel agency commissions and allowing us to pass those savings on to you.

So much included in the price

To get your holiday off to the best possible start, you have a choice of UK departure airports and will travel with an award-winning scheduled airline, with all on-board meals and drinks included. It continues with a choice of included two night stopovers on Australia or New Zealand holidays, which not only provides a welcome break in your journey, but also gives you a chance to explore a new and exciting destination.

Each hotel on a Distant Journeys holiday has been carefully selected by our Directors to make sure you make the most of each destination and enjoy comfortable surroundings. 'Once in a lifetime' experiences

On a Distant Journeys holiday, you'll see all the sights you would hope for - plus you'll enjoy experiences you might not expect to find on such a reasonably priced holiday.

For example, you would not expect to find an all-inclusive rail journey on-board The Ghan or Rovos Rail. Nor would you expect to enjoy a wonderful overnight cruise on-board Milford Mariner, as it sails spectacular Milford Sound. These amazing experiences are all included in your holiday price and are part of our commitment to provide you with memories you will treasure forever.

Happy to Share - single traveller savings

If you are travelling on your own, a Distant Journeys holiday not only gives you an opportunity to meet like-minded people and enjoy plenty of 'me time', it also provides great savings through our Happy to Share option.

Guests taking our Happy to Share option will share a room on holiday with a single traveller of the same gender and will avoid paying a single occupancy supplement. Simply choose our Happy to Share option at the time of booking where it's available, and if we cannot match you with another single traveller of the same gender on your departure, you'll enjoy a room on your own, at no extra cost.

Rewarding early bookers

Our philosophy is simple: the earlier you book, the better the offer you will enjoy. We will never discount our holidays at the last minute, so by booking early you can relax in the knowledge that you are enjoying the best possible price.

Hand-picked hotels

perfectly located

Southern Sun Waterfront, Cape Town

All Distant Journeys hotels are carefully selected by our Directors, who over many years have gained a wealth of experience in understanding and appreciating exactly what elements of a hotel work best on a touring holiday. Location and quality are always paramount considerations. We strive to provide the best of both without it costing the earth.

Location, location, location

When you travel with Distant Journeys, you can relax in the knowledge that each of your hotels has been chosen to allow you to make the most of each destination you visit. Where many other operators may select hotels in a city's outlying districts, Distant Journeys will always accommodate you at the very heart of the attractions.

Take Cairns for instance and the fabulous DoubleTree by Hilton, located right on Cairns Esplanade and a few minutes stroll to all the attractions and eateries this cosmopolitan town has to offer. On our Spectacular South Africa tour, for example, you will stay in the wonderfully situated Southern Sun Waterfront, just minutes away from the vibrant Victoria and Alfred Waterfront in Cape Town.

When staying in more rural areas, Distant Journeys has selected accommodation that really makes the most of the surrounding landscapes, such as the Scenic Hotel in Franz Josef, which enjoys a secluded location, with lovely views of the nearby mountains and rugged terrain.

Excellent quality and exceptional value

The majority of your hotels have official four star ratings, but as we tell you the name of each hotel you will stay in, why not take a look at the hotel websites for more details? We're sure you'll be delighted by their quality and great locations.

You will notice as you view the list of hotels in our hotel directory, found on pages 74 - 79, we have added our own personal rating next to the local star rating. As quality ratings vary from country to country, we feel it is important to provide you with our own opinion, based on our experience and understanding of UK guests' expectations.

We stop at Hampden Beach to witness the geological curiosities known as the Moeraki Boulders, huge spherical boulders which are scattered along the beach, whilst others can be seen emerging from the sandstone cliffs. Each boulder weighs several tonnes and is up to two metres in diameter. According to Maori legend, the boulders are gourds washed ashore from the great voyaging canoe Araiteuru when it was wrecked upon landfall in New Zealand hundreds of years ago. Scientists explain the boulders as calcite concretions formed about 65 million years ago. The soft mudstone containing the boulders was raised from the seabed around 15 million years ago and waves, wind and rain are excavating them one by one.

Day 3 - Cape Town

A morning tour of South Africa's Mother City takes us around Cape Town's most important buildings and monuments. Experience first-hand the vibrant cultures and history and enjoy the city's wonderful scenery. Weather conditions permitting, we shall take a cable car ride to enjoy spectacular views from the top of Table Mountain, followed by a drive through the colourful Malay Quarter of Bo Kaap, Green Market Square and District Six. We continue with a walk through Company Gardens, and drive via the Houses of Parliament, City Hall,

the Castle of Good Hope and Slave Lodge before returning to our hotel, where the rest of our day is at leisure. **Breakfast included**

Day 4 - Cape Point and Kirstenbosch

Today, we venture out of the city to explore the spectacular landscapes surrounding Cape Town. Our day begins with a scenic drive through the pretty seaside suburbs of Sea Point and Camps Bay. We continue via Hout Bay, a charming fishing harbour with magnificent mountain views, before driving along Chapman's Peak, one of the world's most breath-taking coastal drives. We reach the Good Hope Nature Reserve and Cape Point, where the Atlantic and Indian Oceans were once said to meet. Later, we visit Simon's Town and Boulders Beach, home to a colony of endangered African Penguins. Following lunch, we visit the superb Kirstenbosch Botanical Gardens. These gardens were founded in 1913 to preserve the country's unique flora and they are world-renowned not only for their beauty and diversity, but also for their magnificent setting against the eastern slopes of Table Mountain. **Breakfast and lunch included**

Day 5 - Cape Town Freedom Day

This is our first Freedom Day, where we can choose to relax or explore as we please. Our Distant Journeys Tour Manager will be on hand to help with advice on things to do, where to eat, make any arrangements and book

excursions for you to further explore the area. Perhaps take a journey to discover the winelands of the Western Cape. The tour will take us through the valleys and vineyards of Paarl and Franschoek and includes a cellar tour and wine-tasting in one of the region's fabulous wineries. The scenery as we drive across the Hellshoogte Pass to Stellenbosch is spectacular, and in Stellenbosch we will have plenty of time to discover the second oldest settlement in South Africa. The town's oak tree-lined streets and white-washed Cape Dutch-style buildings make this a delight for exploration on foot, and there are many lovely cafes to enjoy a spot of lunch and watch the world go by. We return to the hotel later in the afternoon. **Breakfast included**

We recommend

Western Cape Winelands

Spectacular South Africa

Days 6 to 9 Cape Town - Garden Route - Knysna

Table Mountain, Cape Town

Day 6 – Cape Town Freedom Day

A further Freedom Day where you may choose to relax by the pool or possibly take an optional trip to Robben Island. Once reserved for high profile prisoners of the apartheid regime, today Robben Island is a monument recognising the iconic struggle of heroes such as Nelson Mandela and Walter Sisulu. The island was brought to the world's attention when Nelson Mandela was released from prison in the early 1990's after serving more than two decades for the crime of speaking out against the apartheid government. Today, Robben Island is a World Heritage Site – acting as a museum as well as a reminder of the price Nelson Mandela paid for the freedom of democracy. In the evening, you have the option to experience a menu of typical Cape Malay and African cuisine, accompanied by traditional African entertainment at Cape Town's excellent Gold Restaurant. **Breakfast included**

Day 7 – The Garden Route & Knysna, 3 nights

We say goodbye to Cape Town today, as we make a start on the first stage of our Garden Route tour. Our journey takes us over the breath-taking Du Toit's Kloof Pass as we climb 820 metres above sea level. We make our way to Worcester in the Hex River Valley and continue through Robertson and Bonnievale to Swellendam, a one-time rebel republic's capital. We continue

eastward through undulating countryside and peaceful villages to Mossel Bay, where we visit the Post Office Tree - a place 16th and 17th century sailors left their letters for returning ships to carry to Europe. From Mossel Bay we continue to the pearl of the Garden Route, Knysna and spend our next three nights at the newly built Rex Hotel. **Breakfast included**

Day 8 – Featherbed Nature Reserve

This morning, we have included an excursion to The Featherbed Nature Reserve, a unique 150 hectare private nature reserve, which encompasses the whole of the Western Head of Knysna, and is one of South Africa's Natural Heritage Sites. We cruise across Knysna Lagoon before spending time enjoying the spectacular coastal scenery during a gentle stroll through the reserve. The reserve is home to many native flowers and trees, as well as the endangered Blue Duiker (the smallest known antelope species in Africa), Cape Mountain Tortoises, Blue Cranes (South Africa's national bird) and rare Black African Oyster Catchers. After an included lunch, your afternoon is free to relax or stroll around Knysna's pretty waterfront. **Breakfast and lunch included**

Day 9 - Knysna Freedom Day

On your Freedom Day, you will have the opportunity to join an optional tour to Oudtshoorn, South Africa's ostrich capital. The day begins with a drive over

the visually stunning Outeniqua Pass as we make our way to the beauty of the semi-arid Klein Karoo. Enjoy a tour of the Cango Caves, which are a vast series of magnificently colourful limestone caverns, even now only partially explored. This is followed by a guided tour of an ostrich farm, tracing the ostrich from egg to adulthood. Finally, visit the laid-back country town of Oudtshoorn, with its pretty Victorian buildings. Later in the day we return to Knysna. **Breakfast included**

We recommend

Oudtshoorn & the Cango Caves

Featuring spectacular mountain landscapes, majestic caves and a tour of a working ostrich farm, this is a tour not to be missed.

Day 12 – Durban Freedom Day

A day at leisure to spend as you please. Why not take a full day optional excursion exploring the 19th century Anglo-Zulu battlefields of Isandlwana and Rorke's Drift? Learn about the fascinating history of the battles that took place in January 1879 and then see the landscape on which the fighting occurred. Alternatively embark on an immersive day trip to the tiny country

of Lesotho. Set off from Durban in a 4x4 vehicle in order to cross Africa's highest pass: the 9,435-foot-high (2,876 metres) Sani Pass, to enter this intriguing land-locked kingdom. Once inside, pay a visit to a Sotho village to experience how the locals live. **Breakfast included**

Day 13 – Ubizane Nature Reserve, 2 nights

This morning we travel along South Africa's Elephant Coast en-route to Ubizane Nature Reserve situated in the heart of Zululand. With a history spanning more than 50 years, Ubizane is one of the oldest reserves in the area, with a long-standing heritage. Upon arrival we enjoy lunch prior to checking into our individual lodges, proudly built on stilts and set under a canopy of the Fever Tree Forest. Later in the afternoon we take to our open jeeps for our first game drive around the reserve. Ubizane is teeming with wildlife including giraffe, wildebeest, zebra, hyena and white rhino, as well as over 450 different bird species. After a thrilling afternoon we return to our lodge in time for dinner. **Breakfast, lunch and dinner included**

Day 14 – Tour Highlight

Hluhluwe-Umfolozi Game Reserve

This morning we take a short drive to the oldest proclaimed game reserve in Africa: the Hluhluwe-Umfolozi Game Reserve. South Africa's third largest game reserve is home to 'The Big Five', so keep a look out for elephants, lions, buffalo, rhinoceros and leopards.

Following breakfast we return to our lodge where you are free to relax until the heat of the day subsides later in the afternoon. Perhaps read a book or watch for wildlife from the comfort of your own personal viewing deck or take a swim in the pool at the adjacent Safari Lodge. Later in the day we return to Hluhluwe in our four-wheel drive vehicles for another game drive prior to dinner. This evening enjoy a truly African bush experience eating dinner under the stars, next to a roaring fire in the lodge's boma – a wonderful experience to provide memories to treasure for ever. **Breakfast, lunch and dinner included**

Day 15 – Pretoria, 2 nights

All good things must come to an end and, after our breakfast this morning, we leave Ubizane as we make our way to St Lucia and the iSimangaliso Wetland Park. The St Lucia Estuary is one of South Africa's longest and was declared a World Heritage site by UNESCO in 1999. It is estimated the estuary is home to approximately 1,200 Nile Crocodiles, 800 hippos and an abundance of birdlife. Be sure to keep your eyes peeled for African Fish Eagles looking for an easy meal. After a thrilling cruise we drive to Richards Bay and board our flight to Johannesburg. Upon arrival we make our way to the five star Sheraton Pretoria Hotel, wonderfully located overlooking the Union Buildings. **Breakfast included**

As an alternative to the two night safari at Ubizane Nature Reserve, you have the option to recapture the romance and atmosphere of a bygone era, whilst joining Rovos Rail on an all-inclusive two night 'Durban Safari'. Dubbed 'the most luxurious train in the world', step aboard to find lovingly restored, wood-panelled coaches with period Edwardian features, and enjoy fine cuisine in five-star luxury.

The coaches have all been remodelled and refurbished to pristine condition. Our accommodation is in Pullman Suites; with 76 square feet of space, these private, air-conditioned sleepers feature a comfortable sofa, which converts into twin or double beds by night. Each suite enjoys an en-suite shower, wash basin, toilet and all modern amenities.

A team of enthusiastic chefs produce excellent cuisine, which is served with a selection of great South African wines in the charming Victorian atmosphere of the dining cars. Guests will enjoy the added elegance of meals served on fine china, with crisp white linen and silver, and are encouraged to dress accordingly in the evenings. Whilst on board, all meals are included, along with a wide selection of alcoholic and non-alcoholic drinks.

If choosing the Rovos Rail 'Durban Safari', days 13 – 15 of your itinerary will be as follows. Please note that your Tour Manager will not accompany you on the train. Instead you will be well looked after by the Train Manager and his excellent crew.

We depart Durban and travel through the stunningly scenic Valley of a Thousand Hills. Following a relaxed lunch in the dining car, an afternoon excursion takes us to the fascinating Ardmore Ceramics Gallery. Ardmore Ceramics is a story about the Zulu people whose sense of rhythm, colour, dance and song, as well as the spirit of the African imagination, can be seen in the artwork produced in the gallery. Returning to the train, we make our way to Ladysmith, enjoying dinner with new-found friends along with some fine South African wines. In the afternoon, having enjoyed lunch and time to relax, we arrive at Elandsplaagte, where we disembark for an afternoon game experience in Nambiti Private Game Reserve. The approximate cost of visas for British and Irish passport holders is US\$55 per person for a single entry and US\$70 per person for double entry. Payment for the visa should be made on arrival at Victoria Falls, and we recommend you have the correct amount in US Dollars as sometimes change cannot be given. If you are considering taking a trip to neighbouring Botswana (for Chobe National Park), we recommend purchasing the double entry visa. British nationals do not need a visa to enter Botswana for stays of up to 90 days.

Terms and conditions: Prices are subject to the availability of flights in the lowest fare booking class and may change, however the correct price will always be confirmed before you book. | Helpful travel information

We've compiled some helpful travel information to answer your questions and help you prepare for your holiday. You will be able to find more detailed information on the subjects covered below and other frequently asked questions on the FAQ section of our website www.distantjourneys.co.uk. Alternatively, feel free to call one of our travel experts on 01695 577 961.

Weather

Australia enjoys temperate weather for most of the year but the climate varies hugely from state to state due to the vast size of the country. The northern states typically experience very hot weather much of the time, with the southern states experiencing cooler winters. Australia is also one of the driest countries on earth with an average annual rainfall of less than 600 millimetres. Like all countries in the southern hemisphere, Australia's seasons are opposite to those in the northern hemisphere. No matter what time of year you visit Australia, the sun can be extremely powerful and it's important to guard against sunburn and dehydration. A high factor sunscreen, a sun hat, sunglasses and plenty of water are essential.

New Zealand is blessed with mild temperatures, moderate rainfall, and many hours of sunshine. While the Bay of Islands in the far north has subtropical weather during summer, inland alpine areas of the South Island can be relatively cold in winter. As most of the country lies close to the coast, temperatures are generally mild. During summer months, daylight can last up until 9.30pm and as New Zealand experiences relatively little air pollution compared to many other countries, this makes the UV rays in New Zealand's sunlight very strong. A high factor sunscreen, a sun hat and sunglasses are essential, regardless of the time of year you visit.

South Africa's seasons are opposite to those in the northern hemisphere, and the different areas of the country have quite distinct weather patterns. In the Western Cape areas of Cape Town and the Garden Route, summers tend to be warm, cooled by ocean breezes; with rain falling occasionally. Durban and Ubizane are found in KwaZulu-Natal, which has very hot summers. A high factor sunscreen, sun hat, sunglasses and plenty of water are essential. Johannesburg and Pretoria situated at altitude on the highveld plateau and frequently enjoy hot spring and summer days and the occasional thunder shower. Because of the altitude, it can be cooler in the evenings.

For a more detailed guide to temperatures, rainfall and general weather patterns, please refer to the FAQ section on our website.

Clothing

Dress in Australia, New Zealand and South Africa is generally relaxed and informal during the day, dressing to suit the weather conditions and the activity you are undertaking. Evening dinners are also informal, with smart casual dress being the norm. Exploring the countries you visit will mean some walking on uneven surfaces, so we recommend sturdy and comfortable walking shoes. Wearing layers of clothing means it's easier to deal with potentially varied weather conditions you might experience and it's always advisable to carry a waterproof. When visiting Australia's Red Centre, some guests appreciate taking a fly net which can be placed over a hat to keep the flies away.

Whilst on safari in South Africa, it is recommended to wear natural colours such as khaki, green or beige as bright colours can attract insects and cause diversions for the wildlife. For the game drives (which take place in the morning and evening in open vehicles) we recommend sun lotion and hats as well as warm clothing, as it can get very cold. When travelling on Rovos Rail, evening meals are a more formal affair, in keeping with the elegant surroundings of the dining car. Men are encouraged to wear a jacket and tie, and women a cocktail / evening dress or suit. Other meals are smart casual.

Passports

We can only advise of the requirements for British and Irish citizens holding a full British or Irish passport. For passports endorsed in any way and all other passport holders, requirements should be checked with the relevant embassy. You should ensure that you have a valid ten year passport and, as many countries require expiry dates on passports to be a considerable length of time after the return from holiday, your passport should be valid for at least 6 months after your return to the UK. Requirements may change and you must check the up to date position in good time before departure. A full British passport presently takes approximately 2 to 6 weeks to obtain. General passport information may be found on the Identity and Passport Service website: www.ips.gov.uk

When travelling to South Africa, your passport should have at least two blank pages when you present it at immigration to enter or leave South Africa. If you are extending your holiday to Victoria Falls, we recommend you have a minimum of four blank pages left in it. When in Victoria Falls, you may wish to take an optional safari excursion to Chobe National Park in Botswana. If doing so, the Botswana government has stated that dual nationals using two different passports can only enter the country on the same passport they used to exit the previous country.

Visas

It is your responsibility to ensure you are in possession of all necessary travel, passport, visa, other entry requirements and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. At the time of going to print (September 2016), British and Irish Citizens do not require a visa for entry into Dubai, Singapore, Thailand, Hong Kong or New Zealand. If you're visiting South Africa for tourism or business purposes for a period of up to 90 days, you do not need a visa.

Visitors to Australia however, will require an Electronic Travel Authority (ETA). Applications for ETAs will be processed by Distant Journeys for a charge of £25 per ETA. An ETA is valid for 12 months and allows you multiple entries into Australia with a maximum duration of three months per entry. When you arrive at your departure airport, the airline check-in team can electronically confirm you have the necessary authority to board the flight to Australia. An ETA is equivalent to a visa but there is no stamp or label in your passport. Please note: if you don't hold a British or Irish passport you may require a full visa. Please contact the Australian consulate for details.

If travelling to Victoria Falls you will require a visa, which may be applied for online prior to travel, although it is easy to arrange on arrival into Victoria Falls, Zimbabwe. The approximate cost of visas for British and Irish passport

holders is US\$55 per person for a single entry and US\$70 per person for double entry. Payment for the visa should be made on arrival at Victoria Falls, and we recommend you have the correct amount in US Dollars as sometimes change cannot be given. If you are considering taking a trip to neighbouring Botswana (for Chobe National Park), we recommend purchasing the double entry visa. British nationals do not need a visa to enter Botswana for stays of up to 90 days.

Travelling to South Africa with children (under 18)

If travelling with a child aged under 18, the immigration rules in South Africa require the parents to show a full unabridged birth certificate of that child (or a certified copy). It is important that you take the full unabridged version of the birth certificate, which lists not only the child's details but also the details of both parents. The shortened or abridged version of the birth certificate, which does not list the parents' particulars, will not be accepted. The South African Department of Affairs will not accept copies of birth certificates which are uncertified or copies of the parents/guardians identification. Please note, there are further details required if a child is travelling unaccompanied, with just one parent, or with neither biological parent.

Health & vaccinations

Health facilities, hygiene and disease risk vary worldwide. You should take health advice about your specific needs as early as possible and ensure that vaccinations or preventative measures are taken early enough (which may be a month or more prior to departure) to be fully effective by the date of travel. Information on health is contained in the Department of Health leaflet T7 (Health Advice for Travellers) available from the Department of Health on 0870 1555 455, via its website www.dh.gov.uk, and from most Post Offices. Advice may change and you should check the most up to date position with your GP or local health / travel clinic in good time before departure. If you have any pre-existing medical conditions or walking difficulties, you should inform us at the time of booking.

In South Africa, Victoria Falls and Zimbabwe, many of the main tourist areas are we visit are malaria-free. However, some of the areas we visit may pose a low malaria risk in the summer months. We strongly recommend you take malaria prophylaxis, and consult your doctor or a specialist travel clinic for the latest advice concerning the best malaria prophylaxis for you and the areas you are visiting, as it changes regularly.

For a no obligation quote from our travel insurance partners Avanti Insurance, call 0800 677 1055 or visit www.distantjourneys-travelinsurance.co.uk

Travel insurance and the RHCA

It is a condition of travelling with Distant Journeys that you take out sufficient and appropriate travel insurance. We recommend you do this at the time of booking so that your deposit (less any applicable excess) is covered in the event of a cancellation covered by the policy.

Distant Journeys works alongside Avanti Travel Insurance to offer you comprehensive single trip and annual multi-trip Travel Insurance Schemes. Avanti Travel Insurance are specialists in travel insurance for over 50s, and those with medical conditions. They have also been awarded a five star rating by the independent agency Defaqto, in recognition of their excellent product with a range of features and benefits.

We'd also like to bring to your attention a Reciprocal Health Care Agreement (RHCA) between the Australian Government and the United Kingdom Government, which covers visitors for any medical treatment required due to ill-health or injury occurred during your stay in Australia only. While this agreement means visitors may receive treatment in Australia, we'd like to emphasise that this should not replace the need for having adequate travel insurance to cover potential medical expenses. Please note there are certain requirements that you must fulfil before departing from Australia: you'll need to discuss any charges with the hospital staff or doctor that is treating you, and you must enrol at a Medicare office in Australia at the earliest opportunity. To enrol in Medicare you will need your passport with a valid visa and identification to prove that you're enrolled in your country's national health scheme. If you receive treatment before you enrol, you may be required to pay for treatment costs in advance.

Currency, credit cards and currency cards

The currency of New Zealand is the New Zealand Dollar. The currency of Australia is the Australian Dollar. The currency in South Africa is the South African Rand and in Victoria Falls the US Dollar and South African Rand are widely accepted. For small purchases, local currency is advantageous. Many locations accept major credit cards. Cash machines are located at many stops. The currency for stopover destinations vary, please check the best currency for your destination before departure.

When travelling to Australia or New Zealand, a currency card is a simple way to buy currency and lock in a great exchange rate before you travel. Distant Journeys recommends the 'Global Traveller' MasterCard, provided by Caxton FX, for our guests' currency requirements. The MasterCard is a convenient way to pay at over 35 million outlets worldwide, and is 'chip and PIN' secure. It is also simple to set up and use. Australian Dollars or New Zealand Dollars (or both) may be added to the card before travel using a debit card. The exchange rate is then locked in and will not change, irrespective of fluctuations in exchange rates before or during your holiday.

More details on the Caxton FX currency cards may be found in the FAQ section on our website.

Travel extras

To help you put the finishing touches to your Australia, New Zealand or South Africa holiday, Distant Journeys works in partnership with A2BTravel Extras, who supply a range of UK airport hotels, UK airport lounges, UK airport parking and airport transfers. More details on A2B Travel Extras may be found in the FAQ section on our website.

Baggage allowance

You're entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 160cm (63 inches) and weight 20kg (44lbs) dependent on which airline you choose. Personal and valuable items such as make-up, cameras, medication, money / credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried.

Baggage on The Ghan

Due to space restrictions on The Ghan passengers are required to carry an overnight bag for all your requirements whilst on board. The remainder of the luggage will be checked into a dedicated luggage compartment.

Smoking

Smoking is not permitted inside tourist coaches and hotels. We'll endeavour to ensure there are frequent stops on any coach trip, however we can't guarantee smoking facilities will be available.

Seat rotation on coaches

We offer a fair system of seat rotation to allow all passengers to experience a variety of views from different parts of the touring coach. Exceptions can't be made to this policy.

Porterage and tipping

Hotel porterage for one piece of luggage per person is included in the price of your holiday. In general, it's not customary to tip in restaurants in Australia and New Zealand. In South African restaurants and bars, 10 - 15% is the accepted tipping standard, as it is for taxi drivers. Hotel porters would normally expect a tip of ZAR 10.

If you have received great service from your Coach Captain, Tour Manager or guides, you may wish to tip them for their service. We are frequently asked for guidance on this, and would suggest £1-2 per person per touring day, dependent on your level of satisfaction.

Optional tours

During your tour, you can book onto a range of optional activities through your Coach Captain / Tour Manager during your Freedom Days. Optional tours are at an additional cost, subject to availability and seasonal operations, and may be subject to minimum/maximum numbers. Full details on optional excursions may be found on our website alongside the itineraries of each individual tour.

ATOL protection

Our ATOL number is 10913. All the flight inclusive holidays in this brochure or on our website are financially protected by the ATOL scheme. When you book, you will be supplied with an ATOL Certificate. For more information about financial protection and the ATOL Certificate go to www.atol.org.uk/ATOLCertificate

Booking Conditions

IMPORTANT: The following terms and conditions together with the general information contained in our tour brochure form the basis of your contract with Distant Journeys Limited. Please read them carefully as they set out our respective rights and obligations.

By asking us to confirm your booking, we are entitled to believe that you have had the opportunity to read and have read these booking conditions and agree to them. Except where otherwise stated, these booking conditions only apply to the tour arrangements shown in this brochure (including accommodation required both before and after your main holiday and activities and other services) which you book with us and pay for before departure from the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you.

All references in these booking conditions to "holiday", "booking", "tour" or "arrangements" mean such tour arrangements unless otherwise stated. Please be aware that your deposit is non-refundable.

In these booking conditions:

"Force Majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include, but are not limited to (whether actual or threatened) war, terrorism, fire, flood or any other unusual weather conditions, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, riots or civil disturbances, acts of government, government agencies or other authorities, inability to obtain any necessary licence or consent through no fault of ours and any other event or circumstances beyond the control of us or any supplier of any part of your tour. "You", "your" and "yourself" means each person who makes a booking with us for a tour and/ or who is named on the booking (including anyone who is added or substituted at a later stage) and, where appropriate, all such persons. "We", "us" and "our" means Distant Journeys Limited trading as Distant Journeys.

Bookings

1. All bookings are made pursuant to these terms and conditions.
2. It is a condition of booking that you are fit and able to take care of yourself for the duration of the tour. We welcome passengers with disabilities or special needs provided they are accompanied by a companion capable of providing all assistance required. If you have any medical condition or disability which may affect your tour or any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. We reserve the right to refuse to carry any person who we deem cannot fully care for themselves on tour without assistance or whenever we reasonably feel unable to accommodate the needs or restrictions of any particular passenger. We regret that we cannot provide individual assistance to a passenger for walking, dining, pushing their wheelchair, getting on and off motor coaches or other transportation vehicles or other personal needs. Passengers who need such assistance must be accompanied by a companion who is capable of providing all assistance required.
You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking. We further reserve the right to cancel your booking and impose cancellation charges if we are not fully advised of any relevant disability or medical condition at the time the booking is made and/or promptly notified of any development, change or deterioration occurring after booking. On occasions, the decision to cancel can only be made

at the time the person concerned joins the tour as it may only be apparent at this stage that their disability or medical condition cannot be accommodated.

Any passenger affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will cover it. We may refuse to allow you on the tour or may have to terminate your participation in your tour if your mental or physical condition is such as to render you, in the reasonable opinion of any representative of ours or any carrier or other person in authority, incapable of caring for yourself or a hazard to yourself or other passengers. We will not be liable for any expenses arising from your being precluded from joining or completing the tour for any such reason and no refunds or compensation will be paid.

Please note, the Milford Mariner overnight cruise on the Magnificent New Zealand tour is unable to accommodate wheelchair bound passengers.
3. The operation of all tours is conditional on us securing the minimum number of bookings required to operate the tour and to ensure an enjoyable group atmosphere. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled tour. Please also see clauses 22 and 23. We will endeavour to make any decision to cancel or significantly change a tour no less than 60 days prior to the scheduled departure date of the tour but in any event will notify you no less than 30 days prior to the departure date of the tour.
4. If you are a single passenger and your booking is not a 'Happy to Share' booking, the applicable single supplement will be added to your invoice at the time of your booking.

5. If you are a single passenger and you have booked a 'Happy to Share' reservation and we have been unable to accommodate you with another passenger of the same gender we will accommodate you in a room by yourself throughout the tour at no additional cost. If we are able to match you, Distant Journeys cannot be responsible for the person you are sharing with. If you choose to change to a single room whilst on tour, you will be responsible for all the additional costs.
6. For reservations which include The Ghan single passengers and those 'Happy to Share' passengers that we have been unable to pair you with another passenger of the same gender will be accommodated in single berth sleeper cabins with wash basin. Showers and toilets are available at the end of each compartment. 'Happy to Share' passengers who have been paired up may be accommodated in either a twin share cabin or two single sleeper cabins.

7. If you have any special requests (including dietary requirements) you must notify us at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed by us in writing, all special requests are subject to availability. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

8. To secure any booking, you must pay the applicable deposit or full payment if booking 90 days or less before the start of the tour. The deposit is £1,000 per person if travelling in economy flight class, £1,950 per person if travelling in premium economy class or £3,750 per person if travelling in business flight class. The deposit or full payment, as applicable, must be received by us within 7 days of booking to ensure your place on the tour is held.

Bookings will be automatically cancelled if the applicable deposit or full payment, as applicable, is not received by us within this 7 day period and we will have no further liability to you. A payment supplement may apply to credit card transactions.
9. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you have adequate insurance to cover this.

10. The balance of the tour price (after deduction of the applicable deposit) must be received by us no less than 90 days prior to the start of your tour. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to believe that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in clause 26 depending on the date we reasonably treat your booking as cancelled.

Credit card surcharge

11. If you pay us by debit card or credit card, the following surcharges will be added to your tour price

Card type	Fee on deposit	Fee on all other payments
Debit Card	0%	0%
Credit Card	1.2%	1.2%

Your contract

12. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name"). Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 14 days of our sending it out (5 days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

13. A binding contract between you and us comes into existence when we dispatch our confirmation invoice for all bookings. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

What are your tour obligations?

14. (a) You must follow the Tour Director's or Coach Captain's instructions at all times to ensure on tour safety. You acknowledge that failure to do so may result in restricted access to places of interest on tour, or if necessary for your own safety and/or that of other passengers, withdrawal from the Tour. (b) If we, or our staff or suppliers are of the view you are negatively affecting your own health, safety or environment or that of other passengers, we can oblige you to withdraw from the tour immediately. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the tour, you must make your own return travel arrangements at your own expense. (c) You must make your own enquiries regarding your tour, including being aware of any relevant government travel or safety warnings.

Tour price

15. We reserve the right to increase/decrease our advertised tour prices at any time before your booking is confirmed. We also reserve the right to correct any errors in any tour price. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the tour price has been confirmed at the time of booking, clause 16 below will apply.

No surcharge guarantee

16. We guarantee that no surcharge will be added to the basic price of your holiday once your booking has been confirmed, irrespective of any fluctuation in currency exchange rates, increases in international air fares, or increases in other costs associated with your holiday. In return for this guarantee and its risk to us, we shall not be able to make any refunds in the event of favourable exchange rate variations or other decreases in costs which would otherwise result in the reduction of the selling price. This price promise does not apply to optional services including, but not limited to; visa charges, excursions and amendment fees. The price promise excludes increases in airport or other taxes imposed by British or overseas governments, increases in Air Passenger Duty, or any increases by British or overseas governments relating to improved passenger security. For bookings made within the balance due date and prior to confirming your holiday we reserve the right to notify you of any price increases to your holiday as a result of any additional costs we may incur.

Tour features

17. The features of the tour are set out in the tour brochure.
18. We make no representations about the features of any tour other than those expressly set out in the tour brochure and these terms and conditions.

Brochure validity

19. The tour brochure and these terms and conditions are valid for the departure dates as stated in the tour brochure, or additional departure dates we may introduce, unless otherwise expressly advised by us.

Variation or cancellation by us

20. Subject to clauses 21, 22 and 23, we reserve the right to alter or change the accommodation, carriers, vehicles, vessels or any other service(s) which form part of any tour at any time for any reason and cancel or alter the itinerary and/or tour at any time without notice as we consider necessary for any reason whatsoever including road, weather or traffic conditions, non-performance of suppliers, industrial action, operational conditions and requirements, water level problems, excessive winds or Force Majeure. Errors in the details of advertised and/or confirmed tours and/or other details occasionally occur and we reserve the right to correct these whenever they occur.

21. In the event of industrial action affecting air, rail, cruise or other tour related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any).
22. Most changes made to a confirmed tour are minor. Occasionally, we have to make a significant change to or cancel a confirmed tour and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your tour. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the following options: (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available, with you paying a supplement if the alternative arrangements are more expensive than those originally booked or (c) cancelling or

accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one.

23. If we have to make a significant change to or cancel a confirmed tour, we will in addition to the options set out in clause 22 pay you reasonable compensation if and as appropriate subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 22 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your tour has not been reached - see clause 3. No compensation will be payable and the options set out in clause 22 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time). A change of flight time of less than 12 hours, airline (except as specified in clauses 51-54 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.
24. Very rarely, we may be forced by Force Majeure to change or terminate your tour after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

25. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £75 per person, per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of tour dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the tour price where, for example, the basis on which the price of the original tour was calculated has changed.

26. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day). The following cancellation fees apply to each individual person who cancels and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

CANCELLATION FEES

Period before your tour commences within which written notification of cancellation is received by us:

Tour cancellation period	Fee per person
91 days and over	Loss of Deposit
90 days to 75 days	50% of holiday price
74 days to 60 days	60% of holiday price
59 days to 30 days	75% of holiday price
29 days or less	100% of holiday price

NB Transferring to another departure date is treated as a cancellation and the cancellation fees above will apply. Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Our liability

27. We will ensure that the tour arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted tour arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted tour arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).
28. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your tour and which were unforeseeable or unavoidable or
- Force Majeure.

29. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our tour brochure as part of your tour and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your tour. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

30. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the tour arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable tour participant to refuse to take the tour in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 27. We do not make any representation or commitment that all services will comply with applicable local laws and regulations, and failure to comply does not automatically mean we have not exercised reasonable skill and care.
31. Where we are found liable for loss of and/ or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,000 per person affected unless a lower limitation applies to your claim under this clause or clause 32 below. For all other claims which do not involve death or personal injury, if we are

found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 32 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your tour.

32. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unedited and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol with effect from 31st December 2012) and COTIF, the Convention on International Travel by rail. Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

33. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including Self-employed loss of earnings.

34. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to co-operate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

Carriers

35. The carriers (including airlines, rail carriers and sea carriers used in association with the tours) are not responsible for statements in the tour brochure or any of its features.

36. The applicable conditions of sale / carriage in use by the carriers will apply to you. These may limit or exclude the carriers' liability to you, usually in accordance with international conventions. Copies of these are available on request.

Force Majeure

37. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure.

Risk and travel insurance

38. You acknowledge and accept that there are inherent risks associated with our tours for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations, forces of nature, political unrest and accident, illness, epidemics or pandemics in regions without means of rapid evacuation or medical facilities. Baggage is entirely at your risk during the tour. We cannot accept any liability regarding the provision of medical care or the adequacy of any care that may be rendered.

39. Except as expressly set out in these terms and conditions you agree that we cannot accept any liability for, and you discharge and release us from all claims arising from or connected with any loss or harm suffered by you arising from any risk referred to in clause 38 or any other risk which you should have reasonably recognised as being inherent to your tour.

40. Distant Journeys cannot accept bookings for any persons without adequate travel insurance. We insist you take out appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative as defined in the respective proposal forms or emergency repatriation in the event of accident or illness for example. Please read your policy details carefully and take them with you on your tour. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

41. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

42. Health facilities, hygiene and disease risks vary worldwide. You should take health advice about your specific needs as early as possible. Please see <http://www.fco.gov.uk/en/travel-and-living-abroad/> or call the Foreign Office Travel Bureau on 0845 850 2829 for up to date information. The Foreign and Commonwealth Office may have issued information about your tour destination. You are advised to check this information before you travel

Smoking

43. Smoking is not permitted inside tourist coaches and such other places as are prohibited by us or our suppliers from time to time. We will use reasonable endeavours to ensure there are frequent stops on any coach trip which are available for smoking, however we cannot guarantee these facilities will be available.

Baggage allowance

44. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 160cm (63 inches) and weight 20kg (44 lbs). Hand luggage must have a total sum of its length, width and height not exceeding 115cm (45 inches) and weight 5kg (11lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

Young travellers

45. Travellers who are less than 18 years old on the departure date must be accompanied by and share a room with an adult aged 18 or over. Children under 8 years of age cannot be accepted.

Complaints

46. If a problem occurs during your tour, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your tour. You must also advise the supplier concerned. If you remain dissatisfied, any complaint must be made in writing to us giving full details within 30 days of the

end of the tour. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result.

Tour price and duration

47. All prices in this brochure are quoted in English pounds (Sterling). All prices in this brochure are believed to be correct to the best of our knowledge at the time of printing but errors may occur and prices are subject to change. You must therefore ensure you check all details of your chosen tour (including the price) with us at the time of booking. The number of days duration stated in each itinerary includes day of departure and day of return. Tour durations may vary dependent on your choice of stopover and airline flight schedules and the itineraries in this brochure should be used as a guide only.

Included in your fare

48. All airfares from the UK in economy class (unless specified at the time of booking), coach travel and overseas transfers, service of a Tour Manger or Coach Captian (if applicable), portorage whilst on tour, airport transfers, meals as specified, accommodation as specified (please note, the third bed in a triple room may be a rollaway bed), sightseeing and admissions and other services as expressly indicated in the itinerary.

NOT included in your fare

49. Meals not specified in the itinerary, drinks unless specified in the itinerary, laundry, passport and visa fees, Dubai Tourism tax, expenses of a personal nature and any other items which are not expressly included in the cost of your tour. Changes to flight schedules may require additional overnight accommodation at either commencement or completion of tour which is at your own expense.

Airfare conditions

50. Your reservations consultant will book the most appropriate fare for your tour. Full details and conditions may be obtained from your travel consultant. Changes to original tickets will incur amendment or cancellation fees, are subject to availability and surcharges may apply. Please see clauses 25 and 26 above. Please note: all airfares are subject to routing restrictions. Airfares and applicable taxes are subject to increase without notice due to fare and tax changes, surcharges dependent on class available at time of booking and other factors outside our control. Please contact your travel consultant for the applicable rules and regulations.

At the time of booking please ensure you supply your first name and surname as they appear on your passport, as both of these must be stated on your flight ticket. You may not be able to travel if the name on your passport and documents do not match. Any costs for ticket changes due to an incorrect name on paperwork which has been sent to you, will result in the cost being incurred by you.

Flights

51. For flight inclusive tours, the flight timings given on booking are for general guidance only and are subject to change. The latest timings will be shown on your confirmation invoice. As flights only become available to book around 11 months in advance, we are only able to confirm upgrade prices on booking your flights. However, the actual flight times will be those shown on your tickets which will be dispatched to you approximately two weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been dispatched - we will contact you as soon as possible if this occurs. Distant Journeys has no control over the allocation of seats by the airline, and even if you have requested directly with the airline to pre-book seats, no guarantees can be made. The provision of such seats does not constitute a term of your contract with Distant Journeys.

52. In accordance with EU Directive (EC) No 2111/2005, we are required to bring to your attention

the existence of a "Community List" which contains details of air carriers that are subject to an operating ban within the European Union. The Community list is available for inspection at

http://ec.europa.eu/transport/air-ban/list_en.htm. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. Any change in the identity of the carrier, flight timings, and/or aircraft type (where advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these terms and conditions. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 22 to 23 will apply.

53. If you suffer a delay in your outbound travel arrangements, we will do our best to ensure you make the start of your tour or, if this cannot be achieved, join it as soon as possible. Any costs we incur in making any alternative arrangements in this situation will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in clause 28 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

54. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If the airline does not comply with these rules, you may complain to the CAA on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk - Referring Your Complaint to the CAA.

Passports and Visas

55. You must have a valid passport with at least 6 months validity following your return date. It is your responsibility to ensure any visas required for countries to be visited on the tour have been obtained prior to the tour departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular excursions and

may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

Electronic Travel Authority (ETA) - Australia

All foreign travellers to Australia, other than New Zealand citizens, require an Electronic Travel Authority (ETA) to travel and enter Australia. We are able to obtain this on your behalf, if required, at a cost of £25 per person. If you do not require us to obtain the ETA, you must make your own arrangements, as you will not be able to travel without one.

56. A full British passport presently takes approximately two to six weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) to or through which you are intending to travel. Please note, all requirements may change and all clients must check the up to date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

57. Information on health is contained in the Department of Health leaflet T7.1 (Health Advice for Travellers) available from the Department of Health on 0870 1555 455 or via its website www.dh.gov.uk and most Post Offices. Advice may change and you should check the up to date position with your GP or local health / travel clinic in good time before departure.

Your Financial Protection

58. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Coaches

59. Seat Rotation. To ensure all passengers have the opportunity to enjoy front and window seats, a daily seat rotation system is employed on all of our coaches and you must follow the seat rotation system.

60. If you suffer from travel sickness, you should arrange medication or other alternatives to treat symptoms as we cannot make allowances for this.

Clothing

61. We recommend casual and comfortable clothing. Please bring comfortable walking shoes for sightseeing. Dinner attire is generally smart casual. If travelling on Rovos Rail, evening attire is more formal - for gentlemen, a jacket and tie is a minimum requirement, while for ladies a cocktail / evening dress or suit is suggested.

Currency and credit cards

62. Currency will vary depending on your destination, please refer to your bank or local foreign exchange bureau. For small purchases in small towns, local currency is advantageous. Many locations accept major credit cards (fees may apply) and cash machines are located at some stops. Prior to departure you should confirm that your card and PIN will work in your destination countries.

Tour Manager

63. An experienced English-speaking Tour Manager OR Tour Managers OR Coach Captains accompany every tour. They are there to ensure your comfort, answer your questions and make your holiday relaxed and memorable.

Sightseeing tours

64. A number of towns and cities will be visited by way of walking tours and accordingly, a reasonable level of fitness is required as the sightseeing tour may involve steps and some walking over uneven surfaces.

65. Optional activities and dining are subject to availability, seasonal / operational factors and minimum / maximum numbers. More details on optional tours may be found on our website. On occasion, it may not be possible to arrange an included activity. Suitable alternatives will be arranged. Inclusions may also be subject to change.

Medical services

66. Medical services can usually be called rapidly. Medical costs are at client's own expense. Australia has a Reciprocal Health Care Agreement (RHCA) with the UK Government which helps to cover visitors' medical treatment within Australia. This can only be obtained whilst you are in Australia. Further details can be found at www.humanservices.gov.au/customer/services/medi-care/reciprocal-health-care-agreements. Distant Journeys is not responsible for the medical care provided. **WE STRONGLY RECOMMEND SUITABLE AND ADEQUATE TRAVEL INSURANCE.**

Images, photographs, maps and information

67. The photographs in the brochure and information provided represent typical scenes and descriptive detail for each tour, but it is possible that the subject matter may not be seen or experienced whilst on the tour itself. Some pictures may have been digitally enhanced.

68. All offers and pricing are subject to availability at the time of booking.

69. Maps or tour depictions contained in this brochure or any other brochures issued by Distant Journeys, are intended as an indication only and should not be relied upon as the actual route taken during the tour. Distant Journeys are not liable to you for any variation to the tour.
