Our philosophy is simple - the earlier you book the better the offer you will receive.

No last minute discounts

Distant Journeys never discount our holidays, so you can be confident you will never see your holiday at a lower price than the one you paid.

No surcharges

Irrespective of any additional costs incurred by Distant Journeys as a result of currency fluctuations, air fare increases or other costs associated with your holiday, surcharges will never be added once you have confirmed a booking.

Price match

We want you to have the peace of mind when booking a Distant Journeys holiday that you are receiving the best possible price. So, if you see the same holiday cheaper, not only will we match that price, we will also give you £200 off the price of a future holiday with Distant Journeys.

Hand-Picked Hotels

Distant Journeys appreciate the hotels in which you stay are an integral part of your holiday enjoyment, which is why we take great care in hand-picking all the accommodation featured in our itineraries.

Location and quality are always paramount considerations, and we strive to provide the best of both.

Hotel ratings

Each property has been personally selected, and you can be confident the hotels featured in this brochure have been carefully chosen for their location, quality, facilities and level of service.

We understand from many years of experience that accommodation ratings may vary from country to country. We therefore provide our own ratings, which are based on the expectations of guests from the UK, alongside the official hotel rating. Please review our hotel directory on pages 180-189 for more information regarding the hotels included.

Location, location, location

Relax in the knowledge that every hotel has been carefully chosen to allow you to make the most of each destination you visit. In Japan for instance, we have selected the appropriately named Fuji View Hotel, which provides spectacular panoramas of majestic Mount Fuji.

In Cairns, Australia, guests may enjoy four nights at the superbly located Hilton Hotel, situated overlooking the waterfront and just a few minutes stroll to the city's many attractions and eateries.

For a more relaxing experience, travellers on our Very Best of India tour stay in the peaceful Coconut Lagoon, which provides a tranquil retreat in the coconut groves of the Kerala backwaters.

Character and charm

Some hotels are more than just a place to rest and in many destinations we select hotels for their history, character and charm. When staying in the UNESCO World Heritage city of Pingyao in China, you will experience a great example of this, enjoying a wonderful two nights at Yunjincheng Hotel – a charming boutique hotel, whose courtyards and rooms have been lovingly decorated to reflect the history of its surroundings.

In South Africa, guests stay at Irene Country Lodge – an oasis of tranquillity set in beautiful lakeside gardens, surrounded by the Camdeboo Forest, the perfect venue to relax in the African sunshine.

Freedom & Flexibility

Imagine being able to enjoy all the benefits of travelling with a group of like-minded people; the laughs, the camaraderie, the friendships, the hassle-free organisation - and at the same time being able to personalise your holiday so that it's perfect for you.

When it comes to having the freedom to tailor your touring holiday to suit your tastes and wishes, the flexibility provided by Distant Journeys cannot be beaten.

Fly from your local airport

To get your holiday off to the best possible start, Distant Journeys offers a selection of UK airports for your scheduled international flights with award-winning airlines. Dependent on your choice of holiday, your UK airport choices include London Heathrow, London Gatwick, London Stansted, Manchester, Birmingham, Leeds Bradford, Newcastle and Glasgow.

Flight upgrades

If you would like to treat yourself to a little more comfort on your international flights, Premium Economy and Business Class upgrades are available on selected routes. Please see pages 196-199 for more details.

A choice of included stopovers

A two or three night outbound stopover is included on the majority of our holidays to Australia and New Zealand. Your options, dependent on your preferred itinerary, include Singapore, Bangkok or Dubai - you decide and we'll take care of the rest.

Freedom Days

For an escorted tour to be truly memorable, we believe you should have the freedom to customise your touring experiences to match your interests. That is why the vast majority of Distant Journeys tours have a number of Freedom Days for you to spend as you please. What's more, you don't have to decide now - for most activities and excursions you can make your choices whilst on holiday.

Extend your holiday

You may wish to combine your holiday with a visit to see family and friends, explore another area within your chosen destination or add on a holiday extension to the likes of Victoria Falls or Shimla. We will be happy to make arrangements for you - it's all part of the Distant Journeys service.

Homebound stopovers at amazing prices

Phillip Island's Penguin Parade

Take a trip to Phillip Island, home to the world's largest colony of Fairy Penguins, to see the Penguin Parade.

Day 5: Sydney, 3 nights

Tour Highlight

This morning we make our way to Melbourne Airport in time for our flight to Sydney. We begin our tour of Sydney in the best possible way – enjoying a lunch cruise around Sydney's beautiful harbour. The views of the Opera House, the Harbour Bridge and the many dream homes nestled along the edge of the water are truly amazing. Later, our tour takes us through some of Sydney's most fashionable inner-city suburbs en route to Bondi Beach. Travel via Hyde Park and Parliament House to Mrs Macquarie's Chair, an exposed sandstone rock cut into the shape of a bench by convicts in 1810, as a gift to Governor Macquarie's wife. Here we stop for the classic photo opportunity of the world famous Opera House and Harbour Bridge. We finish at the Novotel Darling Square, where we stay for three nights. **Breakfast and lunch included**

Day 6: Sydney Freedom Day

Your first of two Freedom Days to spend as you please. For those that so desire, we shall be taking an optional trip to the World Heritage listed Blue Mountains. The Blue Mountains are a perfect example of native Australian bushland, with gum trees, majestic peaks and deep gorges stretching as far as the eye can see. Experience the panoramas from a series of lookouts, including Echo Point – the prime position to view the Three Sisters rock formation. The excursion also visits Wentworth Falls and the pretty village of Leura, famous for their annual garden festivals and playing host to many of the region's local artists. **Breakfast included**

Day 7: Sydney Freedom Day

A second Freedom Day in Sydney to further explore this wonderful city. Sydney is a city that takes full advantage of its natural setting – its sparkling harbour is host to the world-famous Sydney Harbour Bridge and the spectacular Sydney Opera House. Sydney's suburbs are blessed with lush native bushland and pristine sandy beaches. Add to this the excellent restaurants and cafes, endless shopping opportunities and a vibrant culture and it's very easy to understand why Sydney is one of the world's favourite cities. Enjoy! **Breakfast included**

Day 8: Cairns, 4 nights

Sadly, we must say goodbye to Sydney, but our sadness is short-lived as the beauty of tropical Queensland awaits. We return to Sydney Airport in time for our flight to Cairns. Upon arrival we shall transfer to the centrally located Hilton Hotel, which will be our home for the next four nights. **Breakfast included**

Day 9: The Great Barrier Reef

Tour Highlight

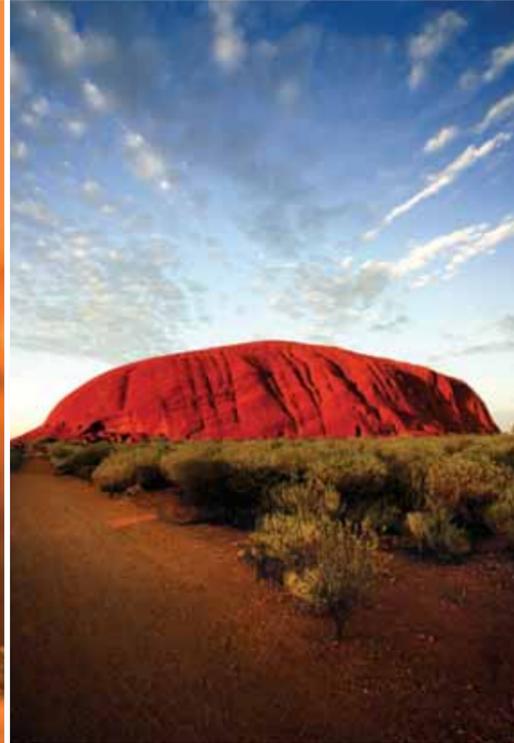

A holiday to Australia would not be complete without a visit to the Great Barrier Reef. Its colourful marine life and coral make this World Heritage site a must see for all visitors. Our day begins when we board our high speed catamaran and journey to the Marine World platform located on the Outer Reef. Snorkel in the sheltered coral lagoon, or if you prefer to stay dry, view the reef from the semi-submersible reef viewer, glass-bottomed boat or underwater observatory. With five hours at the reef there is plenty of time to do it all. For the more adventurous, there is a number of activities available at an additional cost, including scuba diving (no experience necessary), joining the marine biologist on a guided snorkel safari, or soaring above the reef on a spectacular scenic helicopter flight. **Breakfast and lunch included**

Day 10: Cairns Freedom Day

Although today has been left free, you may wish to take an optional trip to Kuranda. Our tour begins with traditional Tjapukai aboriginal culture including authentic music, dance and storytelling by the Tjapukai people. We ascend to Kuranda by the Skyrail Rainforest Cableway, a beautiful experience gliding over the rainforest canopy. 'The village in the rainforest' Kuranda awaits. It's a lovely place to while away a few hours visiting the markets, butterfly sanctuary or the Koala Gardens. Travel back to Cairns along one of the most unique rail journeys in Australia, the Kuranda Scenic Railway. See how the track clings to the rockface along a narrow coastal strip. During our journey we encounter no fewer than 40 bridges and 15 tunnels as we make our way back to Cairns. **Breakfast included**

Day 11: Cairns Freedom Day

Another Freedom Day to enjoy in tropical northern Queensland. Surrounded by rainforest and mountains, Cairns boasts over 200 walking tracks; there are also numerous interesting museums and art galleries to explore. If you prefer to venture further afield, we suggest a day trip to the nearby Daintree Rainforest, where the oldest rainforest in the world meets the reef at the World Heritage-listed Cape Tribulation. The tour gives a wonderful insight into rainforest's unique flora and fauna, including a walk with an aboriginal guide and a cruise spotting saltwater crocodiles. **Breakfast included**

After breakfast, there is a choice of optional tours available. Perhaps join a half day sightseeing tour of this 'Town Called Alice'. Visits include the Royal Flying Doctor Service, the School of the Air, and the Old Telegraph Station, now a museum and the site of the old springs from which Alice gets its name. Alternatively, you may wish to take a trip to the Western MacDonnell Ranges; an excellent opportunity to get a real picture of life in the outback. The full day excursion takes us through the wondrous and picturesque scenery of Simpson's Gap and the towering granite walls of Standley Chasm. In the evening, we highly recommend joining an outback bush barbecue. **Breakfast included**

Tour Highlight

A holiday to Australia would not be complete without a visit to the Great Barrier Reef. Its colourful marine life and coral make this World Heritage site a must see for all visitors. Our day begins when we board our high speed catamaran and journey to the Marine World platform located on the Outer Reef. Snorkel in the sheltered coral lagoon, or if you prefer to stay dry, view the reef from the semi submersible reef viewer, glass-bottomed boat, or the underwater observatory. With five hours at the reef there is plenty of time to do it all. For the more adventurous, there is a number of activities available at an additional cost, including scuba diving (no experience necessary), joining the marine biologist on a guided snorkel safari, or soaring above the reef on a spectacular scenic helicopter flight. **Breakfast and lunch included**

Day 10: Cairns Freedom Day

Although today has been left free, you may wish to take an optional trip to Kuranda. Our tour begins with traditional Tjapukai aboriginal culture including authentic music, dance and storytelling by the Tjapukai people. We ascend to Kuranda by the Skyrail Rainforest Cableway, a beautiful experience gliding over the rainforest canopy. 'The village in the rainforest' Kuranda awaits. It's a lovely place to while away a few hours visiting the markets, butterfly sanctuary or the Koala Gardens. Travel back to Cairns along one of the most unique rail journeys in Australia, the Kuranda Scenic Railway. See how the track clings to the rockface along a narrow coastal strip. During our journey we encounter no fewer than 40 bridges and 15 tunnels as we make our way back to Cairns. **Breakfast included**

We recommend

Day 11: Cairns Freedom Day

Another Freedom Day to enjoy in tropical northern Queensland. Surrounded by rainforest and mountains, Cairns boasts over 200 walking tracks; there are also numerous interesting museums and art galleries to explore, as well as the option to take a hot air balloon ride over the Atherton Tablelands. If you prefer to venture further afield, a day trip to the nearby World Heritage listed Daintree Rainforest, the oldest rainforest in the world, is a fascinating experience. The tour gives a wonderful insight into the rainforest's unique flora and fauna, including a walk with an aboriginal guide and a cruise spotting saltwater crocodiles. **Breakfast included**

Overnight at the four-star Desert Gardens Hotel. **Breakfast included**

Tour Highlight

Then it's time to make our way to Alice Springs Rail Terminal ready for our magnificent overland rail journey to Adelaide, on Australia's southern coastline. Known for being one of the world's iconic rail journeys, The Ghan was named after the Afghan cameleers who once traversed this route. Days 18 to 24: The Ghan - Darwin - Cairns - Great Barrier Reef - Sydney

Day 18: Darwin, 2 nights

Following breakfast, the legendary Ghan rolls into Katherine. Here we have the opportunity to visit nearby Nitmiluk National Park, home to the spectacular Katherine Gorge. The gorge is a series of 13 sandstone gorges carved over many millions of years by the Katherine River. As we cruise up the river, calls of the cicada resonate across the water between the towering sandstone cliffs. Listen to stories of how the gorge was named, whilst marvelling at the sheer walls, etched by time and the elements, and home to a myriad of plant and animal life. Afterwards, return to The Ghan in time for lunch as we continue our journey to Darwin. Upon arrival we transfer to the Mantra Esplanade, situated on Darwin's striking esplanade.

Breakfast and lunch included

Day 19: Darwin Freedom Day

Darwin is the capital of Australia's Northern Territory and is known for its laid-back fusion of frontier outpost and modern city. Your day has been left totally free to spend in your own particular way. Perhaps visit the Defence of Darwin Experience, an immersive, interactive multimedia experience telling the story of Darwin's role in World War II – a very important time in Northern Territory history. Alternatively visit the thundering waterfalls, rainforest pockets and sacred sites of Litchfield National Park. For those wishing to venture further afield, a full day overland or flightseeing excursion to Kakadu National Park can be arranged. **Breakfast included**

We recommend

Litchfield National Park

Explore the spectacular beauty of the national park, with its impressive waterfalls and expanses of rainforest.

Day 20: Cairns, 4 nights

An early start, as we leave for the airport in time for our one-stop flight to Cairns. Upon arrival we shall transfer to the perfectly located Hilton Hotel, which will be our home for the next four nights. **Breakfast included**

Day 21: Cairns Freedom Day

Although today has been left free, you may wish to take an optional trip to Kuranda. Our tour begins with traditional Tjapukai aboriginal culture including authentic music, dance and storytelling by Tjapukai people. We ascend to Kuranda by the Skyrail Rainforest Cableway, a beautiful experience gliding over the rainforest canopy. 'The village in the rainforest' Kuranda awaits. It's a lovely place to while away a few hours visiting the markets, butterfly sanctuary or the Koala Gardens. Travel back to Cairns along one of the most unique rail journeys in Australia, the Kuranda Scenic Railway. See how the track clings to the rockface along a narrow coastal strip. During our journey we encounter no fewer than 40 bridges and 15 tunnels as we make our way back to Cairns. **Breakfast included**

Day 22: Great Barrier Reef

Tour Highlight

A holiday to Australia would not be complete without a visit to the Great Barrier Reef. Its colourful marine life and coral make this World Heritage site a must see for all visitors. Our day begins when we board our high speed catamaran and journey to the Marine World platform located on the Outer Reef. Snorkel in the sheltered coral lagoon, or if you prefer to stay dry, view the reef from the semi-submersible reef viewer, glass-bottomed boat, or underwater observatory. With five hours at the reef there is plenty of time to do it all. For the more adventurous, there is a number of activities available at an additional cost, including scuba diving (no experience necessary), joining the marine biologist on a guided snorkel safari, or soaring above the reef on a spectacular scenic helicopter flight.

Breakfast and lunch included

Day 23: Cairns Freedom Day

Another Freedom Day to enjoy in tropical northern Queensland. Surrounded by rainforest and mountains, Cairns boasts over 200 walking tracks; there are also numerous interesting museums and art galleries to explore. If you prefer to venture further afield, we suggest a day trip to the nearby Daintree Rainforest, where the oldest rainforest in the world meets the reef at the World Heritage-listed Cape Tribulation. The tour gives a wonderful insight into the rainforest's unique flora and fauna, including a walk with an aboriginal guide and a cruise spotting saltwater crocodiles. Enjoy your day! **Breakfast included**

Day 24: Sydney, 4 nights

This morning we make our way to Cairns Airport in time for our flight to Sydney. Sydney is a city that takes full advantage of its natural setting – its sparkling harbour is host to the world famous Sydney Harbour Bridge, and the spectacular Sydney Opera House. Sydney's suburbs are blessed with lush native bushland and pristine sandy beaches. Add to this the excellent restaurants and cafés, endless shopping opportunities and a vibrant culture and it's very easy to understand why Sydney is one of the world's favourite cities. Upon arrival we head to the four star North Sydney Harbourview Hotel, overlooking Sydney Harbour Bridge. **Breakfast included**

Here we stop for the classic photo opportunity of the world famous Opera House and Harbour Bridge. We complete our tour in the best possible way – enjoying a luncheon cruise around Sydney's beautiful harbour. The views of the Opera House, the Harbour Bridge and the many dream homes nestled along the edge of the water are truly amazing. The afternoon has been left free to spend as we please.

We stay the next two nights at the Distinction Luxmore Hotel, Te Anau. **Breakfast included**

Day 19: Milford Sound Cruise Tour Highlight

An early start this morning as we embark on a stunning scenic drive into the heart of Fiordland National Park to join our morning cruise on spectacular Milford Sound. By choosing to cruise early in the morning, we will experience a quieter environment in which to enjoy all the wonders this beautiful fiord has to offer. See towering cliffs and peaks, including the iconic and much photographed Mitre Peak, rising more than a kilometre straight out of the sea. Waterfalls cascade into the fiord and luxuriant rain forest clings to sheer rock faces. Later we return to Te Anau where there is time to enjoy the delights of this quaint township. **Breakfast included**

Day 20: Dunedin, 2 nights

This morning after a hearty breakfast we say goodbye to Fiordland. A morning drive takes us via Mossburn and Lumsden to Gore. Fresh, green farm scenery will accompany us to Balclutha, which has a distinctive arched concrete bridge. Known as the 'Edinburgh of the South', Dunedin is South Island's second largest city and is considered New Zealand's architectural heritage capital, with its lovingly restored Victorian and Edwardian buildings. Day 22: Christchurch, Overnight

This morning, our travels take us north once more. We stop at Hampden Beach to witness the geological curiosities known as the Moeraki Boulders, huge spherical boulders which are scattered along the beach, whilst others can be seen emerging from the sandstone cliffs. Each boulder weighs several tonnes and is up to two metres in diameter. According to Maori legend, the boulders are gourds washed ashore from the great voyaging canoe Araiteuru when it was wrecked upon landfall in New Zealand hundreds of years ago. Scientists explain the boulders as calcite concretions formed about 65 million years ago. The soft mudstone containing the boulders was raised from the seabed around 15 million years ago and waves, wind and rain are uncovering them one by one. Later in the day we arrive at the Distinction Hotel in Christchurch for our final night in New Zealand. **Breakfast included**

Day 23: Depart Christchurch

All good things must come to an end, and this morning we transfer to Christchurch Airport. Our flights to London Heathrow or Manchester travel via Singapore. Distant Journeys' Very Best of New Zealand tour takes in all the sights that would top anyone's wish list with the addition of some less well known gems that many itineraries just wouldn't have time to visit. For instance, we discover the Art Deco city of Napier; as well as arty, bohemian Nelson.

Day 6: Christchurch

Considered the most English of New Zealand's cities, today in the aftermath of the 2011 earthquake, Christchurch is in the midst of an epic rebuild that has completely reconstructed the city centre. This morning we take a tour to see what this exciting developing city has to offer. We start our day with a visit to the Sign of the Takahe, an historical building on the edge of the city before continuing to view the key landmarks of the city centre, including the transitional 'Cardboard Cathedral'. From here we take a visit to the Botanic Gardens. Founded in 1863 with the planting of an English oak tree, the Christchurch Botanic Gardens contain an impressive array of flora and fauna. Our afternoon is at leisure to continue exploring this delightful city. **Breakfast included**

Day 7: Dunedin, 2 nights

This morning, we begin our journey south towards Dunedin. We stop at Hampden Beach to witness the geological curiosities known as the Moeraki Boulders, huge spherical boulders which are scattered along the beach, whilst others can be seen emerging from the sandstone cliffs. Each boulder weighs several tonnes and is up to two metres in diameter. According to Maori legend, the boulders are gourds washed ashore from the great voyaging canoe Araiteuru when it was wrecked upon landfall in New Zealand hundreds of years ago. Scientists explain the boulders as calcite concretions formed about 65 million years ago. The soft mudstone containing the boulders was raised from the seabed around 15 million years ago and waves, wind and rain are uncovering them one by one. Our next two nights are spent at the Distinction Hotel Dunedin. **Breakfast included**

Day 8: Dunedin

This Morning, we enjoy a sightseeing tour taking in the city's neo-Gothic churches, town hall, opulent theatres, and other 19th century buildings. We have time to admire the beautifully landscaped trees and plants of Dunedin Botanical Gardens and the spectacular views of the Otago Peninsula and Harbour before we return to our hotel. Our afternoon is at leisure to spend as we please. **Breakfast included**

Day 9: Te Anau, 2 nights

This morning we say goodbye to Dunedin and begin our journey to Te Anau. Our journey takes us via Milton and Balclutha, with its distinctive arched concrete bridge before continuing through fresh, green farm scenery into Gore. We travel via Lumsden and Mossburn before arriving in Fiordland and the shores of Lake Te Anau, the biggest of South Island's many lakes. We stay the next two nights at the Distinction Te Anau Hotel and Villas. **Breakfast included**

Day 10: Milford Sound Cruise

Tour Highlight

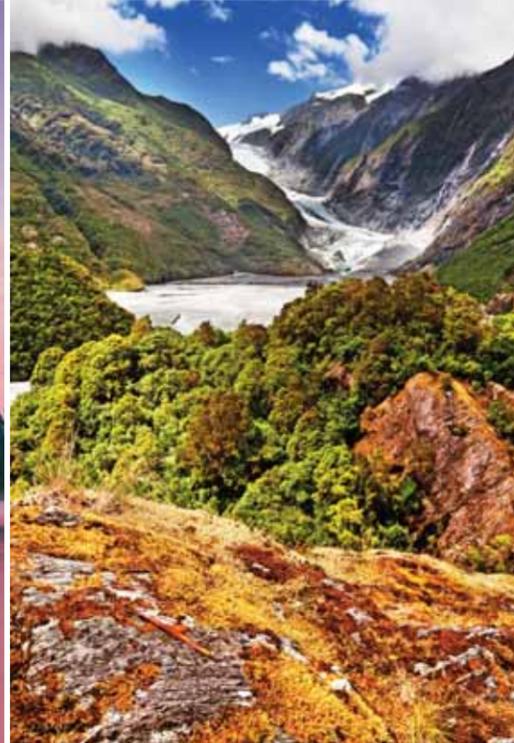

An early start this morning as we embark on a stunning scenic drive into the heart of Fiordland National Park to join our morning cruise on spectacular Milford Sound. By choosing to cruise early in the morning, we will experience a quieter environment in which to enjoy all the wonders this beautiful fiord has to offer. See towering cliffs and peaks, including the iconic and much photographed Mitre Peak, rising more than a kilometre straight out of the sea. Waterfalls cascade into the fiord and luxuriant rain forest clings to sheer rock faces. Later we return to Te Anau where there is time to enjoy the delights of this quaint township. **Breakfast included**

Day 11: Queenstown, 3 nights

This morning, we depart through high country landscapes as we travel to the historic mining town of Arrowtown. The heart of its history is Buckingham Street, a procession of small town heritage buildings that stretch into a tree-lined avenue of tiny miners' cottages. Be sure to try a cream tea in one of the quaint tea rooms. We journey on to nearby Queenstown, and our home for the next three nights, the four star Millennium Hotel, situated only a short walk from the centre of town. **Breakfast included**

For a relaxing experience, follow Queenstown's wine trail, an enjoyable day excursion of wine tasting and sightseeing. There is also an opportunity to take an optional leisurely cruise across Lake Wakatipu aboard the vintage steamboat TSS Earnslaw. The cruise includes a visit to Walter Peak Homestead and a sheep shearing show, before returning to Queenstown aboard Earnslaw. **Breakfast included**

Day 13: Queenstown Freedom Day

A further Freedom Day to enjoy in this wonderful alpine setting. The thrill seekers amongst us may wish to try the Shotover Jet – an exhilarating boat ride amongst the crags and boulders of the Shotover River canyon. For a more serene experience maybe stroll by the lakeside or take a gondola ride to the top of Bob's Peak for a magnificent panoramic view of Queenstown. **Breakfast included**

Day 14: Franz Josef, 2 nights

Incredible scenery today as we travel via Lake Dunstan, created by the mighty Clyde hydro dam in 1994. We make our way through New Zealand's Central Otago region, along the shores of Lakes Wanaka and Hawea. Our next two nights are at the Scenic Hotel Franz Josef Glacier. **Breakfast included**

Mr & Mrs Buck, West Yorkshire

The Very Best of New Zealand

Days 17 to 23: Nelson - Wellington - Napier - Rotorua - Bay of Islands

Day 17: Nelson Freedom Day

Nelson is a delight for explorers on foot. Scattered throughout the city are art galleries and workshops, historic buildings and street-side cafés. Today has been left as a Freedom Day so you can spend it any way you choose. Perhaps consider a trip to Abel Tasman National Park, New Zealand's smallest national park, blessed with golden beaches, sculptured granite cliffs, and its world-famous coast track. A cruise along the coast will take you to the very best scenery this region has to offer. Alternatively, you may wish to take a tour to visit some of the region's wonderful wineries. **Breakfast included**

Day 18: Wellington, 2 nights

This morning we leave South Island in our wake as we board the ferry for our inter-island cruise to New Zealand's North Island. During the cruise, enjoy spectacular views as we depart Queen Charlotte Sound. With the possibility of birds and dolphins following, we make our way across the Cook Strait to Wellington. Upon arrival we re-join our coach and make our way to Wellington, where the remainder of our day is at leisure. Our next two nights are spent at the Copthorne Hotel Oriental Bay. **Breakfast included**

Day 19: Wellington

Wellington is compact, cultured and full of character. Its interesting and varied architecture provides the ideal starting point for our orientation tour this morning. We visit Wellington's administrative area, taking in Parliament House, 'the Beehive' – you'll understand the name when you see it – and the government buildings. We then continue to the top of Mount Victoria for the finest view of the city and its picturesque harbour. Your afternoon is at leisure – a visit to Te Papa museum is highly recommended, as it offers a fascinating insight into New Zealand's rich history and cultural heritage. Alternatively, ride a cable car to Wellington's beautiful botanical gardens. **Breakfast included**

Day 20: Napier, Overnight

This morning our journey continues north via Hastings and the Kapiti coast as we make our way to the Art Deco city of Napier, located in an area dominated by orchards and vineyards. Napier's city centre has the feeling of a time capsule - the seamless line of 1930s architecture is quite extraordinary. One of the ways to enjoy the streetscape is on a self-guided tour. Our evening is spent at the delightful Scenic Hotel Te Pania, superbly situated on Napier's sea front. **Breakfast included**

Day 21: Rotorua, 2 nights

Today we make our way along the Thermal Explorer Highway to Lake Taupo, New Zealand's largest lake. We visit the impressive Huka Falls where the Waikato River suddenly narrows to a chasm less than 15 metres across and heaves its vast bulk over an 11-metre ledge to boil furiously in a deep semi-circular basin below. We continue to Rotorua, which is at the heart of New Zealand's rich Maori culture, and enjoy a lunch inspired by traditional Maori cooking. Following lunch, we explore Te Puia, Whakarewarewa Thermal Reserve, with its spurting geysers and boiling mud pools, before attending a concert featuring traditional song and dance, including the world famous war dance – The Haka. After a wonderful day soaking up traditional Maori culture, we head to the Millennium Hotel for a two night stay. **Breakfast and lunch included**

Day 22: Rotorua Freedom Day

A day at leisure in Rotorua. For those that so wish, optional activities include a float plane flight over Mount Tarawera, or perhaps a visit to the Hobbiton Movie Set from The Lord of the Rings may be more appealing? **Breakfast included**

Day 23: Bay of Islands, 3 nights

We travel north this morning, via Auckland, as we make our way to the pale sands and turquoise waters of the Bay of Islands. In the pretty seaside town of Paihia, the Scenic Hotel Bay of Islands will be our home for the next three nights. **Breakfast included**

Auckland

Dolphins, Bay of Islands

The Very Best of New Zealand

Days 24 to 29: Bay of Islands - Auckland - UK

Day 24: Bay of Islands cruise

Tour Highlight

Undoubtedly one of the highlights of this tour is a cruise around the Bay of Islands, as in our opinion, there's no better way to see this picturesque area of New Zealand. You'll cruise via Red Head Passage to Cape Brett and Piery Island and on to the famous 'Hole in the Rock'. In these world-famous deep-sea fishing waters it's not uncommon to see schools of fish and dolphins. The return trip includes a visit to historic Russell. It's hard to believe that this quaint township was once known as the 'Hell Hole of the Pacific'. As the afternoon has been left free, you have an excellent opportunity to take an optional visit to the grounds of the Waitangi National Reserve. It was here in 1840 that the British and Maori chiefs signed the Waitangi Treaty. **Breakfast included**

Day 25: Bay of Islands Freedom Day

Today you'll have a full day at leisure, allowing you to do the things that really interest you. For example, there is the opportunity to join a fantastic optional trip to Cape Reinga. It's a full-day excursion which visits the northern tip of New Zealand. Not only is this where the Tasman Sea meets the Pacific Ocean, but it holds a special significance in Maori tradition as the place where Maori spirits return to their traditional homeland, Hawaiiki-A-Nui, via the roots of a lone – and still standing – 800 year old pohutukawa tree. Other standout locations during the tour include the Te Paki sand dunes and a drive along Ninety Mile Beach, passing some magnificent scenery along the coast. **Breakfast included**

Day 26: Auckland, 2 nights

After breakfast this morning, we leave The Bay of Islands. On the drive to the Waipoua Kauri Forest Reserve, we pass rolling hills dotted with dairy farms which give way to lush forest the closer we get to the reserve. There's chance to marvel at the gigantic kauri tree Tane Mahuta, or 'Lord of the Forest'. From here, we cross the impressive Waitemata Harbour Bridge and head into Auckland and the Grand Millennium Hotel for our final two nights in New Zealand. **Breakfast included**

Day 27: Auckland

Start the morning with an orientation tour of the city. Auckland has a beautiful waterside setting, with a modern skyline standing out against a backdrop of volcanic hills. As part of the tour, we'll drive along the famous Waitemata Harbour. You'll be able to see Rangitoto Island, an extinct volcano, which although it's in the distance, dominates the horizon. Stop at the stylish Viaduct Harbour, which has played host to many America's Cup celebrations. As the afternoon has been left free for you to enjoy however you would like, why not take in the panoramic views from the top of the Sky Tower? As you would expect from the tallest building in the southern hemisphere, the views truly are breathtaking. **Breakfast included**

Day 28: Depart Auckland

All good things must come to an end, and this morning we transfer to Christchurch Airport. Our flights to London Heathrow or Manchester travel via Singapore. If flying to Birmingham, Leeds Bradford, Newcastle, Edinburgh or Glasgow, flights will also travel via Amsterdam. **Breakfast and in-flight meals and drinks included**

Day 29: Arrive UK

This morning we arrive into our chosen airport, bringing to an end our incredible adventure. **In-flight meals and drinks included**

Highlights of Australia & New Zealand

Days 20 to 24: Great Barrier Reef - Cairns - Uluru - Alice Springs

Day 20: Great Barrier Reef

Tour Highlight

A holiday to Australia would not be complete without a visit to the Great Barrier Reef. Its colourful marine life and coral make this World Heritage site a must see for all visitors. Our day begins when we board our high speed catamaran and journey to the Marine World platform located on the Outer Reef. Snorkel in the sheltered coral lagoon, or if you prefer to stay dry, view the reef from the semi-submersible reef viewer, glass bottomed boat, or underwater observatory. With five hours at the reef there is plenty of time to do it all. For the more adventurous, there is a number of activities available at an additional cost, including scuba diving (no experience necessary), joining the marine biologist on a guided snorkel safari, or soaring above the reef on a spectacular scenic helicopter flight. **Breakfast and lunch included**

Day 21: Cairns Freedom Day

Although today has been left free, you may wish to take an optional trip to Kuranda. Our tour begins with traditional Tjapukai aboriginal culture including authentic music, dance and storytelling by the Tjapukai people. We ascend to Kuranda by the Skyrail Rainforest Cableway, a beautiful experience gliding over the rainforest canopy. 'The village in the rainforest' Kuranda awaits. It's a lovely place to while away a few hours visiting the markets, butterfly sanctuary or the Koala Gardens.

Travel back to Cairns along one of the most unique rail journeys in Australia, the Kuranda Scenic Railway. See how the track clings to the rockface along a narrow coastal strip. During our journey we encounter no fewer than 40 bridges and 15 tunnels as we make our way back to Cairns. **Breakfast included**

Day 22: Cairns Freedom Day

Another Freedom Day to enjoy in tropical northern Queensland. Surrounded by rainforest and mountains, Cairns boasts over 200 walking tracks; there are also numerous interesting museums and art galleries to explore. If you prefer to venture further afield, a day trip to the nearby World Heritage listed Daintree Rainforest, the oldest rainforest in the world, is a fascinating experience. The tour gives a wonderful insight into the rainforest's unique flora and fauna, including a walk with an aboriginal guide and a cruise spotting saltwater crocodiles. Enjoy your day! **Breakfast included**

Day 23: Uluru (Ayers Rock), Overnight

Tour Highlight

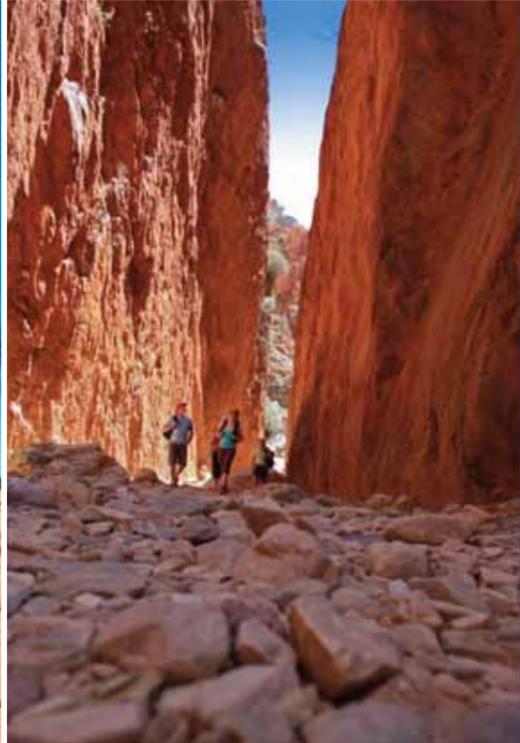

An early start today as we make our way to Cairns Airport in time for our flight to Australia's Red Centre and the next leg of our exciting journey. Upon arrival we visit the impressive series of rounded sandstone domes known as the Olgas. Later in the day we travel to Uluru where we can enjoy a glass of sparkling wine whilst witnessing the changing colours as the sun begins to set. It's truly a photographer's delight. Overnight at the Desert Gardens Hotel. **Breakfast included**

Day 24: Alice Springs, 2 nights

Uluru is the icon of Australia's outback, and the world's largest monolith. For early risers, a dawn visit to the rock has been arranged. Seeing Uluru at sunrise, from a different position and a different light, offers a totally new perspective on the ever-changing colours and character of the rock. This afternoon we travel east through amazing landscapes as we journey along the Lasseter and Stuart Highways and make our way to the outback town of Alice Springs. Upon arrival we enjoy a sightseeing tour of the outback's largest town. Alice Springs was originally established in the 1870's as a staging post for the overland telegraph line between Darwin and Adelaide. During our sightseeing tour we relive a bygone era at the Old Telegraph Station historic reserve, which faithfully recreates the settlement's earliest years. We stay at the four-star Crowne Plaza Lasseters Hotel. **Breakfast included**

In-flight meals and drinks included

Day 3: Cape Town and Kirstenbosch

A tour of South Africa's Mother City takes us around Cape Town's most important buildings and monuments. Experience first-hand the vibrant cultures and history and enjoy the city's wonderful scenery. Weather conditions permitting, we shall take a cable car ride to enjoy spectacular views from the top of Table Mountain, followed by a walk through the colourful Malay Quarter of Bo Kaap. We drive through Green Market Square and District Six before continuing via Company Gardens and the Houses of Parliament, City Hall, the Castle of Good Hope and Slave Lodge. This afternoon we visit the superb Kirstenbosch Botanical Gardens. These gardens were founded in 1913 to preserve the country's unique flora, and they are world-renowned not only for their beauty and diversity, but also for their magnificent setting against the eastern slopes of Table Mountain. **Breakfast included**

Day 4: Cape Point

Today, we venture out of the city to explore the spectacular landscapes surrounding Cape Town. Our day begins with a scenic drive through the pretty seaside suburbs of Sea Point and Camps Bay. We continue via Hout Bay, a charming fishing harbour with magnificent mountain views, before driving along Chapman's Peak, one of the world's most breath-taking coastal drives. We reach the Good Hope Nature Reserve and Cape Point, where the Atlantic and Indian Oceans' currents meet. We continue to Boulders Beach, home to a colony of the endangered African Penguin. Enjoy a visit to Simon's Town prior to our return to Cape Town later in the afternoon. **Breakfast and lunch included**

Day 5: Cape Town Freedom Day

This is our first Freedom Day, where we can choose to relax or explore as we please. Our Distant Journeys Tour Manager will be on hand to help with advice on things to do, where to eat, make any arrangements and book excursions for you to further explore the area. Perhaps take a journey to discover the winelands of the Western Cape. The tour will take us through the valleys and vineyards of the Cape Winelands and includes a cellar tour and wine-tasting in one of the region's fabulous wineries. The scenery as we drive across the Helshoogte Pass to Stellenbosch is spectacular, and upon arrival we will have plenty of time to discover the second oldest settlement in South Africa. The town's oak tree-lined streets and white-washed Cape Dutch-style buildings make this a delight for exploration on foot. Enjoy a stroll as well as a spot of lunch whilst watching the world go by. We also have time to visit Franschhoek before returning to the hotel later in the afternoon. **Breakfast included**

We recommend

Western Cape winelands

A full day excursion including a cellar tour, wine tasting, quaint towns and stunning scenery.

Day 6: Cape Town Freedom Day

A further Freedom Day where you may choose to relax by the pool or possibly take an optional trip to Robben Island. Once reserved for high profile prisoners of the apartheid regime, today Robben Island is a monument recognising the iconic struggle of heroes including Nelson Mandela and Walter Sisulu. The island was brought to the world's attention when Nelson Mandela was released from prison in the early 1990s after serving more than two decades for the crime of speaking out against the apartheid government. Today, Robben Island is a World Heritage Site – acting as a museum as well as a reminder of the price Nelson Mandela and so many others paid for the freedom of democracy. **Breakfast included**

Day 7: The Garden Route & Knysna, 3 nights

We say goodbye to Cape Town today, as we begin our Garden Route tour. Our journey takes us to Swellendam, a one-time rebel republic's capital. We continue eastward through undulating countryside and peaceful villages to Mossel Bay, where we visit the Post Office Tree - a place 16th and 17th century sailors left their letters for returning ships to carry to Europe. From Mossel Bay we continue to Knysna and our next three nights will be spent at the Protea Knysna Quays. **Breakfast included**

Day 8: Featherbed Nature Reserve

This morning, we have included an excursion to The Featherbed Nature Reserve, a unique 150 hectare private nature reserve, which encompasses the whole of the Western Head of Knysna, and is one of South Africa's Natural Heritage Sites. The reserve is home to many native flowers and trees, as well as the endangered Blue Duiker (the smallest known antelope species in Africa), Cape Mountain Tortoises, Blue Cranes (South Africa's national bird) and rare Black African Oyster Catchers. Your afternoon is free to relax or stroll around Knysna's pretty waterfront. **Breakfast included**

Enjoy a tour of the Cango Caves, a vast series of magnificently colourful limestone caverns which to this day have only been partially explored. This is followed by a guided tour of an ostrich farm, tracing the ostrich from egg to adulthood. Finally, drive via the laid-back country town of Oudtshoorn, with its pretty Victorian buildings. We also explore the impressive Durban Botanical Gardens, founded in 1849 and home to a fine array of African, Asian and American trees and shrubs. With a prime beachfront location and unobstructed sea views, relaxing by the hotel's huge pool is a wonderful way to unwind in the afternoon. **Breakfast included**

Day 12: Umhlanga Rocks Freedom Day

A day at leisure to spend as you please on South Africa's beautiful Dolphin Coast. Why not take a full day optional excursion to explore the 19th century Anglo-Zulu battlefields of Isandlwana and Rorke's Drift? Learn about the fascinating history of the battles that took place in January 1879 and witness the landscape on which the fighting occurred. Alternatively embark on an immersive day trip to the tiny country of Lesotho. Depart from Durban in a 4x4 vehicle in order to cross Africa's highest pass: the 9,435-foot-high (2,876 metres) Sani Pass, to enter this intriguing land-locked kingdom. Once inside, pay a visit to a Sotho village to experience how the locals live. **Breakfast included**

Day 13: Ubizane Nature Reserve, 2 nights

This morning we travel along South Africa's Elephant Coast en-route to Ubizane Nature Reserve, situated in the heart of Zululand. With a history spanning more than 50 years, Ubizane is one of the oldest reserves in the area, with a long-standing heritage. Upon arrival, enjoy lunch prior to checking into our individual lodges, built on stilts and set under a canopy of a Fever Tree Forest. Later in the afternoon we take to our open jeeps for our first safari around the reserve. Ubizane is teeming with wildlife including giraffe, wildebeest, zebra, hyena and white rhino, as well as over 450 different bird species. After a thrilling afternoon we return to our lodge in time for dinner. **Breakfast, lunch and dinner included**

Day 14: Hluhluwe-iMfolozi Game Reserve Tour Highlight

This morning we take a short drive to the oldest proclaimed safari reserve in Africa: the Hluhluwe-iMfolozi Game Reserve. South Africa's third largest safari reserve is home to 'The Big Five', so keep a look out for elephant, lion, buffalo, rhinoceros and leopard. Following breakfast we return to our lodge where you are free to relax until the heat of the day subsides later in the afternoon. Perhaps read a book, watch for wildlife from the comfort of your own personal viewing deck or take a swim in the pool at the adjacent Safari Lodge. Later in the day we return to Hluhluwe in our four-wheel drive vehicles for another safari prior to dinner. **Breakfast, lunch and dinner included**

Day 15: Pretoria, 2 nights

All good things must come to an end and, after breakfast, we leave Ubizane as we make our way to St Lucia and the iSimangaliso Wetland Park. The St Lucia Estuary is one of South Africa's longest and was declared a World Heritage site by UNESCO in 1999. It is home to Nile Crocodiles, hippos and an abundance of birdlife. Be sure to keep your eyes peeled for African Fish Eagles looking for an easy meal. After a thrilling cruise we drive to Durban and board our flight to Johannesburg. China

China is a country of contrasts. Ancient palaces and modern skyscrapers sit side by side, and peaceful river cruises are combined with high speed journeys on bullet trains. Those with a love of history and food will be in their element, and when you visit the giant pandas of Chengdu, scale the Great Wall and explore the renowned gardens of Suzhou, China never disappoints.

Tour highlights

A fascinating history

Discover the country's millennia of enthralling history, from Beijing's ancient palaces; Xi'an's great archaeological discovery, the Terracotta Warriors; the classical gardens of Suzhou; and the iconic Great Wall; to more recent additions like Shanghai's futuristic skyline of Pudong.

The UNESCO World Heritage Site of Pingyao

This small town is often overlooked by travellers, but Pingyao's superbly preserved architecture and town walls, its elegant courtyards and ancient temples, along with the vibrancy created by the 30,000 locals residing within its walls, makes this less visited destination a fantastic addition to any touring itinerary.

Spectacular cruises

Explore the verdant hills and breathtaking scenery as we glide serenely along the Li River. In addition, spend three nights aboard either MV Century Legend or Paragon, waking up each morning to the magnificent landscapes of the Yangtze River. This relaxing cruise allows plenty of time to sit back and view ever-changing vistas or to explore a selection of the river's ancient waterside towns and the remarkable engineering feat of the Three Gorges Dam.

Unwind in Yangshuo

Perfectly timed at the midpoint of the tour, a two night stay in Yangshuo Resort is an ideal opportunity to relax and unwind. Our hotel enjoys an idyllic location on the banks of the Yulong River, providing the perfect opportunity to take in the mountainous landscapes with a gentle bike ride, a punt along the river or to relax in the hotel's peaceful surrounding gardens.

The Very Best of China

23 days from only £3,895 per person

It's not surprising China is considered one of the world's most fascinating and exciting touring destinations. Its imposing socialist monuments of the 1950s along with the explosive growth of modern buildings and infrastructure, make Beijing an unmissable showcase of China old and new.

This evening, enjoy a welcome drink with your Tour Manager and fellow travellers, to become acquainted and learn more about our forthcoming adventure.

Day 3: Beijing and The Forbidden City

Today, our sightseeing tour of Beijing begins in Tiananmen Square. Measuring around 440,000m², and surrounded by soviet-style buildings, it was here that Chairman Mao declared the founding of the People's Republic of China. We continue to the nearby Forbidden City, the world's largest palace complex and home to China's best preserved collection of ancient and ornate buildings. We have plenty of time to explore the Forbidden City, prior to lunch in a nearby restaurant. In the afternoon, we explore the Temple of Heaven Park, which is the site where, during the Ming and Qing dynasties, emperors prayed for a good harvest.

China's most iconic sight and greatest engineering triumph, the Great Wall weaves its way through 4,000 miles of northern China's landscapes. This morning, we travel northeast from the city to the Mutianyu section of the Great Wall, famous for its Ming-era guard towers and the fantastic views of the surrounding mountains. We take a short cable car ride to the wall, and have ample time to stroll along part of the wall, and to take in the spectacular landscapes. Following our memorable visit and a hearty lunch, we return to our hotel in the afternoon to relax.

Food is an obsession in China and during the course of our journey, we will encounter an incredible array of different dishes and cuisines. This evening, we will enjoy a classic imperial dish from Beijing: Peking Duck, served with plum or garlic sauce, scallions and pancakes.

Days 5 to 12: Beijing - Pingyao - Xi'an - Guilin - Yangshuo

Day 5: Beijing's Summer Palace

Following breakfast, we spend the morning exploring the halls, pavilions, palaces, temples, gardens, corridors and bridges of the Summer Palace. The Palace was the playground for the royal family as they escaped the suffocating heat of the summer. As we explore the palace, we marvel at this masterpiece of traditional Chinese landscaping, which has been designed according to the principles of feng shui. We return to the hotel, and our afternoon has been left free to spend as we please. This evening, why not experience a Kung Fu show, featuring dynamic displays of this country's most famous martial art? **Breakfast included**

Day 6: Pingyao, 2 nights

This morning we experience the benefits of China's huge investment in its infrastructure, as we board our bullet train to Taiyuan. On arrival, we enjoy lunch in the Shanxi Hui Guan restaurant, which specialises in Jin cuisine and a multitude of noodle dishes. En route to Pingyao, we stop to visit the Chang family mansion, the former home of one of the richest merchants in the Shanxi Province. Covering a total area of more than 600,000m², the compound has over 4,000 rooms, 50 buildings and 13 gardens. Its courtyards feature some of the country's most elaborate examples of Qing Dynasty decorative architectural features. Later in the afternoon, we make our way to Yunjincheng Hotel, a charming boutique hotel in the centre of Pingyao, whose courtyards and rooms have been lovingly decorated to reflect the history of its surroundings. **Breakfast, lunch and dinner included**

Day 7: Pingyao

Tour Highlight

Not many UK visitors can lay claim to have visited Pingyao, which is surprising because this UNESCO World Heritage Site is China's best preserved ancient walled town and is a true highlight. The city was at its peak during the Ming dynasty (1368 – 1644) and, incredibly, Pingyao has managed to keep its imposing town walls and watchtowers, elegant courtyards and ancient temples largely intact. What's more, 30,000 locals still reside in the old town, which creates the vibrancy of this living and breathing community. This morning we explore the streets of Pingyao, including visits to its fine temples, government buildings and the Rishengchang Financial House Museum, which began life as a humble dye shop before transforming into China's first bank and pioneering the use of paper cheques as a form of payment.

With a visitor pass allowing free entry to many more of Pingyao's delights, your afternoon could be easily spent further exploring the town. Alternatively, you may wish to make the short journey to the Shuanglin Temple for an optional tour of this astonishing Buddhist temple, with its impressive complex of ancient halls and intricately carved statues. **Breakfast included**

Day 8: Xi'an, 2 nights

We say farewell to Pingyao and board our bullet train to Xi'an - one of China's most famous cities with a long and fascinating history. A considerable amount of this ancient city has managed to survive alongside its modern developments. We make a stop to explore the magnificent city walls, which date back to the Ming dynasty around 1370, and enjoy incredible views of Xi'an old and new from our vantage point on top of the 12m-high wall. We reach the Holiday Inn Big Wild Goose Pagoda Hotel later in the afternoon, where we stay for the next two nights. One of the delicacies in Xi'an is its fantastic dumplings, and this evening enjoy sampling a selection of dumplings – each are handmade into a variety of shapes and with a selection of delicious fillings.

Breakfast, boxed lunch and dinner included

Day 9: The Terracotta Warriors

Tour Highlight

Discovered in 1974 by a group of farmers drilling a well, the Terracotta Army is one of the most famous and spectacular archaeological discoveries in the world. Today we explore the pits containing the terracotta soldiers, which have stood guard since 246 BC when Emperor Qin Shi Huang commissioned the work for his mausoleum. Each life-sized warrior has been crafted with individual facial features and clothing, and are arranged in battle formations alongside their horses and chariots. We also visit the equally fascinating Qin Shi Huang Emperor Tomb Artefact Exhibition Hall, which contains many artefacts including a pair of bronze chariots and horses, which are displayed with some of the original weaponry. After lunch, we visit the Small Wild Goose Pagoda, before returning to our hotel. Later, why not enjoy an evening of traditional music and dance at the Tang Dynasty show?

Breakfast and lunch included

Why not take a gentle bike ride along the banks of the Yulong River? Alternatively you may prefer to float downstream on a bamboo raft or join a small cookery class, where you will visit a local market to choose ingredients, before creating a selection of local dishes. Enjoy lunch at the charming Tibet Hotel, where we spend our next two nights. Later, we take a gentle stroll through The People's Park, which is often filled with dancing, song and tai chi. The park is also home to some of the city's favourite teahouses, where we stop to sample one of their brews and perhaps mix with the locals over a game of Mahjong.

Breakfast and lunch included

Day 14: Chengdu & Pandas

Tour Highlight

With over 80% of the world's Giant Panda population found in Sichuan Province, it's little surprise to find the area taking the lead in conservation projects to save this endangered species. The panda is the national symbol of China, and today we visit the Giant Panda Breeding Research Institute, which is home to around 120 giant and 76 red pandas. The project allows us to see these loveable and rare creatures at close quarters in a near-natural habitat setting. Later in the afternoon, we explore the bustling stalls and shops of the Wide and Narrow Alleys, two ancient streets restored in Ming and Qing architectural styles.

Enjoy dinner in one of the local restaurants, serving traditional dishes, cooked with distinctive Sichuan flavours. Later, we recommend venturing to the Sichuan Opera for a one of a kind cultural performance, including acrobats, dancers, puppets and the amazing 'face-changing' mask spectacle.

Returning to the ship, we journey through the awe-inspiring Witches Gorge, before arriving at Maoping.

Day 18: Shanghai, 4 nights

We disembark the ship after breakfast and board our coach for a morning excursion to the remarkable Three Gorges Dam - the largest hydroelectric dam in the world. Upon arrival, we transfer to the Jin Jiang Tower Hotel, where we spend our final four nights in China. **Breakfast and lunch included**

Day 19: Shanghai

Shanghai is China's most glamorous and prosperous city, where Chinese and Western cultures run side by side. This morning our sightseeing tour begins with a walk along the Bund, on the banks of the Huangpu River. The Bund perfectly encapsulates the diversity of Shanghai, with the grandiose Art Deco architecture of the city's former banks and trading houses on one side of the river, and the futuristic skyline of Pudong on the other. We continue to the charming Old Town, which is the original centre of the city and retains many of its original temples, alleyways and buildings. Our morning ends in Yuyuan Gardens. Taking 18 years to build during the Ming dynasty, the gardens survived wars and rebellions, and today are a fine example of classically styled Chinese Gardens.

This afternoon we explore the impressive collection of Chinese artefacts housed in Shanghai Museum. In the evening, witness a spectacular performance of skill and grace as we experience the world-class Shanghai Acrobatic Show.

Breakfast, lunch and dinner included

Enjoy a relaxing cruise along the Grand Canal prior to lunch. Culturally unique and scenically beautiful – there's nothing quite like a touring holiday to Japan.

The capital of Imperial Japan for over 1,000 years, Kyoto was spared from the intensive bombing of World War II that affected so many other Japanese cities. The Very Best of Japan

Days 10 to 17: Kanazawa - Kyoto - Hiroshima - Kurashiki - Himeji - Osaka

Day 10: Kanazawa

We begin our morning with a visit to a local restaurant for a typical Japanese breakfast. After enjoying the local hospitality, we visit the delightful Kenroku-en garden, considered by the Japanese as one of the top three gardens in the country. The name Kenroku-en means the "garden combining six", referring to the six attributes all gardens should include: seclusion, antiquity, spaciousness, human ingenuity, water and scenic views. The city is also famed for gold leaf and it is used in abundance. We visit a local establishment to learn about gold leaf production, and decorate our own chopsticks in gold leaf - we even have the opportunity to purchase a gold leaf ice-cream.

We head to the Higashi Chaya area of the city with its lovely neighbourhood of beautifully preserved geisha houses. Many have now been converted into restaurants or teahouses, although some are still open to the public. The afternoon is free to continue exploring Kanazawa at your own pace. There is a plethora of museums and local arts and crafts to explore. Alternatively, you have the option to join an afternoon tour which visits the Kutani Pottery and Kagayuzen Kimono Centre. **Breakfast included**

This afternoon we head to Arashiyama and its famous Bamboo Grove, and there will be plenty of time to wander through the impressive towering alley of Bamboo. Our hotel for the next three nights is the Kyoto Tokyu Hotel.

Tour Highlight

We begin our day of sightseeing at the impressive UNESCO World Heritage Site of Kinkaku-ji Temple. Fondly referred to as the Golden Pavilion, this richly decorated golden temple is a truly beautiful sight to behold. Our next stop is another UNESCO World Heritage Site, the rock garden of Ryoanji Temple. The garden's fifteen stones are cleverly arranged so that there is always one rock that is hidden from view. Our final and third UNESCO World Heritage Site of the morning is Kiyomizu-dera Temple. Founded in AD778, the most famous feature of the temple is its wooden veranda, standing some 13 metres above the ground. Later, we head to Gion, Kyoto's famous geisha district, before taking part in a traditional tea ceremony. Tonight, there is an opportunity to experience a Japanese barbecue at a local restaurant.

Breakfast included

Day 13: Fushimi Inari Shrine

This morning we head out of the city to the Fushimi Inari Shrine, famous for its tunnels of more than 10,000 closely-spaced torii gates, each of which has been individually donated. We visit a sake museum to learn about the brewing and production process of this famous Japanese rice wine. Later, we return to the city for an afternoon at leisure. If you prefer, you can join an optional tour of Sanju-Sangendo, with an opportunity to paint and take away your own paper fan. Tonight, there is the option to try Japanese shabushabu at a local restaurant.

Breakfast included

Day 14: Bullet Train, Hiroshima, 2 nights

After a leisurely breakfast, we transfer to the station for our ride on Japan's iconic Bullet Train. Running at speeds of up to 200 miles per hour, the train smoothly whisks us across the country to our next port of call, Hiroshima. Hiroshima is perhaps best known for being the place where an atomic bomb was dropped during the Second World War. This afternoon, we talk to a survivor of the attack, visit the Memorial Peace Park and its moving museum, as well as the Atomic Bomb Dome. After a thought-provoking day, we transfer to the Righa Royal Hotel, ideally located for exploring the city.

Breakfast included

Day 15: Miyajima Island

A morning visit takes us to the peaceful and pretty island of Miyajima, famous for its giant torii gate, part of the UNESCO World Heritage Itsukushima Shrine. After viewing the shrine, there is plenty of time to wander around the city's pretty streets. Our afternoon has been left at leisure, but we highly recommend a stroll to Hiroshima Castle, Shukkeien garden and Orizuru Tower, which are all within easy walking distance of our hotel. Tonight we have the opportunity to learn how to make the delicious okonomiyaki pancake, a classic Hiroshima dish. **Breakfast included**

Day 16: Kurashiki, overnight

Travel to the old merchant settlement of Kurashiki, whose main draw is its beautiful willow-lined canal. Many former storehouses have been converted into museums, boutiques and cafes, providing the perfect backdrop for a leisurely stroll. This afternoon we visit Korakuen Garden, another of Japan's top three gardens. It is most aptly described as a "strolling garden", due to its variety of views from the pathways which wind through the pond, stream, lawns and teahouse. We return to Kurashiki for an overnight stay at the Kurashiki Royal Art Hotel, just three minutes' walk from the Bikan district. **Breakfast included**

Day 17: Himeji Castle, Osaka, 2 nights

Tour Highlight

Today we journey to our final destination, Osaka via the city of Himeji, famous for Japan's finest surviving feudal castle, Himeji Castle. The first fortifications of this UNESCO World Heritage Site were completed in the 1400s. Gradually enlarged over the centuries, the castle complex, as it survives today, is over 400 years old and is an imposing and majestic site. After exploring the castle and grounds, we make our way to Osaka. Our home for the next two nights is the delightful Nikko Osaka Hotel. **Breakfast and lunch included**

Deer, Nara Park

Todaiji Temple, Nara

The Very Best of Japan

Days 18 to 19: Nara - UK

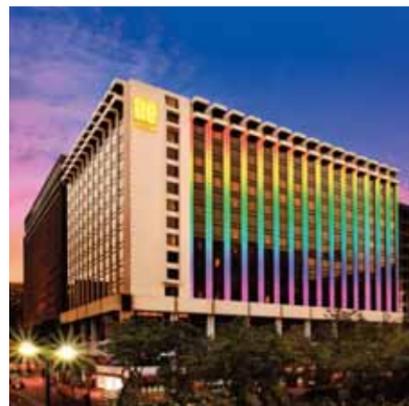

Day 18: Nara

Our sightseeing today takes us to Nara, Japan's first permanent capital. One of the first sights we will experience is the thousands of sacred deer that roam freely through the city, and have learned to bow for treats! We visit the UNESCO World Heritage Site of Todaiji Temple. Founded in AD745, the vast temple took over 15 years to complete. The main hall houses a colossal bronze Buddha statue and remains the world's largest wooden building. After a morning of sightseeing, we return to Osaka, where our afternoon has been left free to relax or possibly purchase some last-minute souvenirs. **Breakfast included**

Day 19: Depart Osaka

This morning we say goodbye to Japan as we depart Osaka for our flight home to the UK. Regardless of the regional UK airport you are flying to, all flights will travel via Hong Kong. Vietnam & Cambodia

Over recent years, Vietnam and Cambodia have become two of the most fascinating and exciting touring destinations on the planet. A tour to these countries offers so much variety: emerald waters dotted with limestone islands rising dramatically out of the sea, bustling cities and astonishing temples, and friendly communities with their age-old customs and wonderful cuisine.

Tour highlights

Halong Bay

The UNESCO World Heritage site of Halong Bay is Vietnam's greatest natural wonder. Some 3,000 limestone islands and outcrops rise almost vertically from the emerald waters of the Gulf of Tonkin. There are few better ways to explore the bay's picturesque panoramas than our tranquil two night cruise aboard the deluxe Au Co.

Historic Hoi An

Hoi An's fascinating history is well preserved through its Chinese temples, its mustard-yellow merchants' houses draped in bougainvillea and its rickety wooden shops aglow with red silk lanterns. This laid-back World Heritage town is a delightful place to explore with a gentle afternoon or evening stroll.

The Temples of Angkor

A visit to the immense Angkor complex of temples is a journey to one of the great wonders of the world. From the 9th to the 15th century Cambodian 'god-kings' attempted to surpass the religious monuments of their ancestors in size, scale and symmetry, culminating in the world's largest religious building, Angkor Wat.

Mekong River

Commencing in the fertile Mekong Delta in southern Vietnam and concluding in Cambodia's capital, Phnom Penh, our leisurely four night cruise is the perfect way to experience the beauty and grandeur of the majestic Mekong River.

Days 15 to 21: Tiger Island - Vam Nao - Tan Chau - Phnom Penh - Siem Reap

Day 15: Tiger Island - Vam Nao

After breakfast, we head ashore to explore Tiger Island by electric bicycle or by sampan. We visit cottage industries such as net weaving, and at a pagoda, locally known as 'Mr. Tiger's Temple', we learn the art of making two Mekong Delta specialities - incense and banh in, which is a local rice cake. We return to the ship in time for lunch as we cruise towards the provincial capital of Long Xuyen in the Mekong Delta. This afternoon we take our tender to the shore to visit the colourful Long Xuyen Floating Market and the An Giang Traditions Museum, with fascinating exhibits on Vietnamese, Chinese, Khmer and Cham cultures. We return in time for dinner and this evening's entertainment as we cruise to Vam Nao, where we moor overnight.

Breakfast, lunch and dinner included

Day 16: Vam Nao – Tan Chau

Enjoy breakfast as the Victoria Mekong makes its way to the border town of Tan Chau, where we visit a temple dedicated to the uniquely Vietnamese religion of Caodaism. Travel by local rickshaw to a silk village to witness the labour-intensive steps taken to produce this fine textile. This afternoon there is an option to travel by speedboat to Chau Doc to see the submerged forest of Tra Su, known for its abundant birdlife and picturesque mangroves. Tonight, we enjoy a traditional Vietnamese lion dance, followed by dinner on board.

Breakfast, lunch and dinner included

Day 17: Tan Chau – Phnom Penh

Today is a day to sit back, relax and enjoy the ship's facilities, as we cruise towards the Vietnam-Cambodian border. On board activities include a ship-tour, a cocktail making competition and cultural lectures. Or you could just relax by the pool and enjoy the passing scenery. We arrive late afternoon in the charming Cambodian capital of Phnom Penh, once known as the 'Pearl of the Orient'. Enjoy Khmer Apsara dancing, performed by a troupe of disadvantaged local children, followed by a farewell gala dinner.

Breakfast, lunch and dinner included

Day 18: Phnom Penh, overnight

After four great days and nights, it's time to disembark for our tour of Phnom Penh. Visit the Royal Palace, built in 1866, and still the official royal residence of Cambodia. We view the Silver Pagoda, whose floor is covered with 5,000 silver tiles, whilst the near life-size Buddha is made from solid gold and encrusted with almost 10,000 diamonds.

There is no escaping Cambodia's more recent darker history, and the horror of the Pol Pot regime between 1975-1979. To learn more about these troubled times, we first visit Tuol Sleng, also known as S-21. This former high school, turned prison, is today a museum. More than 17,000 people passed through its gates, with only seven survivors living to tell the tale. Many walls show photographic evidence of those imprisoned and tortured here. From here we visit the Killing Fields of Choeung Ek. Once an orchard, and now a memorial, the camp witnessed the killing of thousands of prisoners from S-21. This afternoon's visit is a sobering experience providing us with an insight into the resilience of the Cambodian people. Later in the afternoon we arrive at the superb Palace Gate Hotel, for our overnight stay.

Breakfast and lunch included

Day 19: Siem Reap, 4 nights

Tour Highlight

We transfer to the airport for our flight to Siem Reap, home to what is arguably Southeast Asia's most famous landmark, the temples of Angkor. One of the largest religious monuments in the world, Angkor was originally constructed as a Hindu temple dedicated to the god Vishnu. This afternoon we visit the South Gate of Angkor where the statues of good and evil line the entrance. We visit Bayon, with its temple spires adorned with the face of the Buddhist King Jayavarman VII. We also explore Phimeankas, the Terrace of Elephants and the Terrace of Leper Kings. We end our day with a sunset cruise along the moat of Angkor Thom.

Breakfast and lunch included

Day 20: Angkor Wat and Ta Prohm

Tour Highlight

Angkor Wat is synonymous with Cambodia, and the temple's famous five spires are featured on the country's national flag. For those that so wish, there is the opportunity to rise early this morning to view the sunrise over Angkor Wat, at an additional cost. Following breakfast, we return to Angkor Wat to fully explore this spectacular temple. Rising 65 metres from the ground, this massive three tiered pyramid complex, crowned by five lotus towers, is stunning for both its grand scale and its incredible detail. We finish our morning with a visit to the temple of Ta Prohm, where we see how tree roots hold this small temple together. The remainder of the day is at leisure. Tonight, there is the option to visit the Phare Circus, which supports the development of Khmer youth through a programme of arts and performance.

Breakfast included

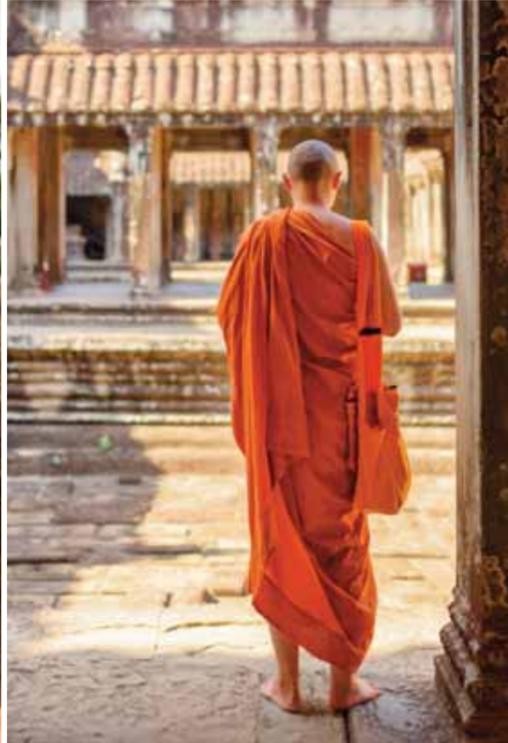

Day 21: Siem Reap Freedom Day

Today has been left free for you to choose how you spend your day. Whilst Angkor Wat is the main attraction to Siem Reap, the area offers a wealth of additional experiences, many of which are linked to social enterprises formed to support the local people. Travel to a local village and spend time with the community to understand more about their rural life. Alternatively, experience the hustle and bustle of a local market and learn how to create Khmer cuisine, or learn a new skill during a bamboo weaving workshop.

Four nights from only £695 per person

Shimla was known as the ‘Queen of the Hills’ and was the summer capital during British rule in India (when it was known as Simla). In the 19th-century, the British colonial government retreated from the heat of the Indian summer and found this idyllic tiny hamlet with a temperate climate in the Himalayan foothills.

Strung out along a crescent-shaped ridge, surrounded by steep forested hills falling away on all sides, and with snow-covered mountains as a backdrop, it is little wonder Shimla exerted such a magnetic influence and blossomed into a thriving British hill station. Today, the town still exudes a colonial charm and it retains a certain romance for British visitors.

The Shimla Extension may be added to the beginning of any of our tours to India. Guests choosing to take the Shimla Extension will leave the UK four days earlier than the departure dates featured in the brochure.

Day 1: Depart UK

Depart with Emirates from the UK airport most convenient for you. Choose from London Heathrow, London Gatwick, London Stansted, Manchester, Birmingham or Glasgow. If you are travelling on the Highlights of India or Journey Through India itineraries, you also have the option to fly direct to Delhi with Virgin Atlantic from London Heathrow. No matter which airline or UK airport you choose, there will be no additional cost. **In-flight meals and drinks included**

Day 2: Delhi, overnight

All flights with Emirates to Delhi travel via Dubai. On arrival into Delhi, we meet our Tour Manager and transfer to the five-star Hyatt Regency Hotel. **In-flight meals and drinks included**

Day 3: Shimla, 3 nights Tour Highlight

An early start as we take the morning Shatabdi Express train for our wonderful journey north to Kalka. Our comfortable ‘chair-class’ seats are in air-conditioned carriages with large viewing windows. On arrival in Kalka, we board the Himalayan ‘Toy Train’. As you would expect from an historic rail journey on a narrow gauge railway, carriages are smaller and are not air-conditioned, but this is more than compensated by the increasingly spectacular views across the lower Himalayas. Our rail adventure ends in Dharampur, where we stop for lunch, and the remainder of the journey to Shimla is by road. Shimla was the summer capital of British India, and nicknamed the

‘Queen of Hill Stations’. Shimla sits in a stunning location at an altitude of 7,267 feet, sprawling across a crescent-shaped ridge deep in the Himalayan foothills. We spend our three fabulous nights in Shimla at the deluxe Radisson Jass Hotel. **Breakfast and lunch included**

Day 4: Shimla

The best way to explore Shimla’s most important sights and landmarks is on foot, and this morning we discover the many reminders of British colonial life. During the 19th-century, a stream of British officials and their families travelled to Shimla and created a home away from home, which can be seen in the Georgian, Victorian, mock-Tudor and baronial-style architecture throughout the town. We begin at the buttermilk-yellow Christ Church, overlooking the town, and meander through the pedestrianised streets seeing Scandal Point, Gaiety Theatre and the half-timbered Town Hall.

Arguably the most impressive building is Viceregal Lodge and its beautiful botanical gardens. Built in Scottish baronial style, it was the summer residence of the Viceroy of India, and is now an institute of advanced studies, with some rooms open to the public. In the afternoon, we drive to Shimla’s highest hilltop to visit the vermilion-pink statue of monkey-god Hanuman, and enjoy incredible views of the surrounding area. On the walk back to Shimla, there is an opportunity to stop at the Book Café, a government-funded project to rehabilitate the prisoners of Shimla. **Breakfast included**

Day 5: Shimla Freedom Day

A Freedom Day in Shimla to relax or further explore this wonderful town at your leisure. Alternatively, you may wish to make the short journey to The Himalayan village of Dhambi. Enjoy a walk through the village and its nearby forests, teeming with birdlife, in the company of Kunwar Dushyant Singh, a descendant of the last formal ruler of Dhambi. Later, enjoy the wonderful flavours of local Dhambi dishes, prepared by Kunwar Dushyant’s family. Please note, this experience is subject to the family’s availability during your visit. **Breakfast included**

Day 6: Delhi, 3 nights

Following breakfast, we transfer by road to Chandigarh Airport, where we board our flight to Delhi. We return to the Hyatt Regency Hotel, for the next three nights. This evening, enjoy a welcome drink with your fellow travellers to become acquainted and learn more about our adventure ahead. **Breakfast included**

From this point, please follow day 3 of your preferred itinerary.

Important Information

We recommend that you read our Important Information, together with our Booking Conditions before booking your holiday.

Entry requirements

The following information on entry requirements, passports and visas is for British Citizens only. Any visa information covers visa requirements for the duration our tour stays in any given country. If you intend to stay longer you should seek additional information before booking.

Holders of a British Subject passport, non-British citizens and holders of a passport endorsed in any way should check immigration requirements with the relevant embassy or consulate of the country to be visited, as should clients with dual nationality or renounced citizenship.

It is important to recognise that whilst the information below is correct at the time we go to print, all requirements may change and all clients must check the up to date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

Passports

A valid ten-year British passport is required for all our holidays, valid for a minimum of six months after your return date to the UK. If you are not currently in possession of a valid passport please make sure you leave plenty of time before your holiday to apply for this document.

A full British passport presently takes approximately two to six weeks to obtain. If you are 16 or over and have not yet arranged a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. Please note, if you need to apply for visas after you receive your new passport, you will need to factor in additional time for this.

For more information on passport and entry requirements please visit the Government Passport Office website, or see our website for more details.

This table provides a quick guide, for British Citizens, to which countries require a visa. If visas are required it is highly recommended you allow for a minimum of two blank pages per visa required. Applying for your visa

The below information provides guidance on how to apply for your visa. Alternatively, you may prefer to use a visa agency to help you obtain your visa and we recommend The Travel Visa Company. For more detailed information along with useful links to The Travel Visa Company, Foreign Office and any online applications, please refer to the FAQ section of our website.

Australia

Applications for ETAs will be processed by Distant Journeys at the time of booking or you can apply via the Australian Government website.

Botswana

Currently a visa is not required for any travellers entering Botswana. However, if you are extending your South African holiday to Victoria Falls in Zimbabwe and considering taking a trip to neighbouring Botswana (for Chobe National Park), we recommend purchasing a Kaza UniVisa, which allows multiple entry into Zimbabwe. This is usually arranged on arrival at Victoria Falls Airport, together with payment.

Cambodia

Your border crossing between Vietnam and Cambodia is at the river border, whilst on the Victoria Mekong cruise. Your Cambodian visa will be processed here, so you do not need to apply before you leave the UK. You will also be required to provide one passport photo. Please note that e-visas are not accepted at the river border.

China

You may be required to make your visa application in person at a Visa Application Centre and as part of the process biometric data (scanned fingerprints) now have to be provided. You can apply for your visa within 120 days of travel, and no less than one month before your intended travel date. You will also need to show proof of an air-ticket booking and provide accommodation details. We will provide this information for you once your booking is confirmed. Please be aware our normal cancellation fees will apply if you are refused a Chinese Visa.

India

You are required to obtain an e-Tourist Visa (e-TV) before travelling. You can apply online for your visa within 120 days of travel on the government of India's e-Tourist Visa website. You must have applied for your visa no later than four days before you depart.

New Zealand

You are required to apply for an NZeTA before travelling to New Zealand. At the time of going to print, applications can only be made online on the government's immigration website. However, a smartphone app is expected to be released very soon. In addition to the fee for the NZeTA, you will also be required to pay an International Visitor Levy (IVL). This will be processed at the same time as your NZeTA.

U.A.E.

If stopping over in Dubai you can obtain a visitor's visa on arrival in the UAE. This is done as standard at passport control and there is no charge. It allows a stay of up to 30 days and automatically expires when you leave the country.

Vietnam

If you are travelling on our Very Best of Vietnam and Cambodia tour, you need to apply for an e-visa online. Please note you will be required to upload a passport photo as part of the application process. At the time of print, if you are travelling on our Highlights of Vietnam tour no visa is required, as the duration of your stay is less than 15 days. Please be aware a visa on arrival service does exist, but may involve a lengthy wait on arrival.

Zimbabwe

If you are extending your South African holiday to Victoria Falls you will be required to obtain a visa for entry into Zimbabwe. This is usually arranged on arrival at Victoria Falls Airport, together with payment.

Travel insurance

We highly recommend that you take out sufficient and appropriate travel insurance. We recommend you do this at the time of booking so that in the event of cancellation, providing it is covered by your policy, your deposit (less any applicable excess) is protected.

Distant Journeys work alongside Holiday Extras to offer you a range of comprehensive single trip and annual multi-trip insurance policies.

Reciprocal Health Care Agreement

If you are travelling to Australia, then the Reciprocal Health Care Agreement (RHCA) between the Australian Government and the United Kingdom Government, covers visitors for any medical treatment required due to ill health or injury occurred during your stay in Australia only. While this agreement means visitors may receive treatment in Australia, we'd like to emphasise that this should not replace the need for having adequate travel insurance to cover potential medical expenses. Please note there are certain requirements that you must fulfil before departing from Australia: you'll need to discuss any charges with the hospital staff or doctor that is treating you, and you must enrol at a Medicare office in Australia at the earliest opportunity. To enrol in Medicare you will need your passport with a valid visa and identification to prove that you're enrolled in your country's national health scheme. If you receive treatment before you enrol, you may be required to pay for treatment costs in advance.

Health & vaccinations

Health facilities, hygiene and disease risks vary worldwide. You should take health advice from your GP or local travel clinic about your specific needs as early as possible and ensure that vaccinations or preventative measures are taken early enough (which may be a month or more prior to departure) to be fully effective by the date of travel. Advice may change and you should check the most up to date position with your GP or local health / travel clinic in good time before departure.

For more information on health and vaccinations please visit the Foreign Office website and NHS Before you Travel website. Links to both of these can be found on the Distant Journeys website.

Medication and pre-existing conditions

If you have any pre-existing medical conditions or walking difficulties, you should inform us at the time of booking. It is your responsibility to ensure that any medication you are carrying is permitted to be taken into the countries you are visiting. We recommend you consult with your GP and relevant embassy before booking or travelling. Always carry medicines in their original, labelled packaging and in your hand-luggage along with a copy of your prescription. Whilst we recommend only carrying enough for the duration of your time away, a small spare supply can be useful. Check that the expiry dates of your medicines will be valid for the duration of your visit abroad.

Mobility on tour

Many of our itineraries include sightseeing tours which involve walking for medium to long periods of time and over uneven surfaces. Steps may also feature, either as part of a tour or within your accommodation. Different modes of transport, such as jeep and safari vehicles, sampans and rickshaws may also be used. For your enjoyment we recommend a reasonable level of fitness and mobility is required for all tours. If you are in any doubt of the suitability of any of our tours, or have reduced mobility in any way, it is essential you discuss this with us before making a booking.

Travel documents

On payment of a deposit, your holiday is confirmed and we will send you your confirmation email. It is important you check this email as soon as you receive it. Check the tour name and departure date is correct, check names exactly match your passport and familiarise yourself with the times of your flights. If anything is incorrect, please call us immediately.

Your full travel documents which include electronic tickets, a final itinerary, luggage labels and holiday information booklet will be sent to you approximately 2-3 weeks prior to your departure.

Weather

Generally, all our tours travel when it is considered the best time to travel, however it is important to note that some countries, such as Australia, China and Vietnam cover different climate zones, so climates may vary between north and south of the countries. It is also important to recognise that weather patterns around the world are becoming less predictable and the information we provide should be used as a guide only and is no guarantee of the weather at the time you travel. We also recommend checking up-to-date weather forecasts before you travel.

Australia

Australia's seasons are opposite to those in the northern hemisphere, although the country enjoys a temperate climate for most of the year. The tropical northern states (where Cairns and Darwin are found) typically experience very warm weather and can be very humid in the Australian summer. The southern states are typically warm and sunny.

Cambodia

Like most of Southeast Asia, Cambodia is warm to hot year-round and the climate is dominated by the annual monsoon cycle with its alternating wet and dry seasons. Broadly November to April is considered the dry season and May to October the wet season, although the wet season, does not necessarily mean it rains every day for long periods.

China

As a general guide, our tours travel during Spring and Autumn, when the weather tends to be warm and dry and a little cooler in the evenings.

India

Generally during the main travel season to India, between October and March, the days tend to be mild and sunny with comfortable cool evenings.

Japan

Japan's climate still enjoys four distinct seasons; spring, summer, autumn and winter. Our tours travel late spring (March to May) and late autumn (September to November) when there is little rainfall, skies are clear, and temperatures are mild. What's more, the delicate cherry blossom of spring and vivid hues of autumn leaves are visually stunning.

New Zealand

Whilst the opposite of those in the northern hemisphere, New Zealand's seasons are blessed with mild temperatures, moderate rainfall, and many hours of sunshine. The Bay of Islands in the far north has subtropical weather during summer.

South Africa

As a general guide, in the Western Cape areas of Cape Town and the Garden Route, summers tend to be warm, cooled by ocean breezes, with rain falling occasionally. Durban and Ubizane, found in KwaZulu-Natal can have very hot summers and you should consider adequate protection. Johannesburg and Pretoria are situated at altitude on the highveld plateau and generally enjoy a hot climate with the occasional thunderstorm. Due to the altitude evenings can be a little cooler.

Vietnam

Vietnam's long, narrow shape means that its climate is split into three different micro-climates; North (Hanoi and Halong Bay), Central (Hue and Hoi An) and South (Ho Chi Minh City and Mekong Delta). This combined with opposing monsoon seasons in the north and south does mean that the climate is quite different from one region to the next. Broadly speaking you can expect warm to hot and humid temperatures and some rainfall.

For more detailed weather information including approximate temperatures and rainfall, please refer to the Distant Journeys website.

Important Information

Clothing

Dress for our tours is generally relaxed and informal during the day, dressing to suit the weather conditions and the activity you are undertaking. It's likely there will be occasions when exploring you'll be walking on uneven surfaces, so we recommend sturdy and comfortable walking shoes. Wearing layers of clothing means it's much easier to deal with potentially varied weather conditions and it's always advisable to carry a waterproof. We would also recommend taking good insect repellent, a high factor sun-screen lotion and a hat for protection from the sun. If you are going on any safaris in India or South Africa, if you have them, binoculars will provide a great opportunity for closer wildlife viewing. Layered or warm clothing is also recommended as it can be cold on early morning safari drives. Any included evening dinners are also informal, with smart casual dress being the norm.

It is always worth being aware of local customs when visiting sacred places. As a general rule when visiting such places, it is recommended that arms and legs are covered. Women may also wish to take a shawl to cover their shoulders and all visitors should wear long trousers, skirts or shorts that reach below the knee. Taking off your shoes is also a prerequisite before entering many sacred places and commonplace when entering many buildings, including restaurants in Japan.

India: Indians adopt a very conservative standard of dress and we suggest dressing modestly.

South Africa: Whilst on safari in South Africa, is it recommended to wear natural colours such as khaki, green or beige as bright colours can attract insects and cause diversions for the wildlife.

Rovos Rail: If travelling on Rovos Rail, evening attire is more formal – for gentlemen, a jacket and tie is a minimum requirement, while for ladies a cocktail / evening dress or suit is suggested.

Currency, Credit Cards and Currency Cards

Country	Currency	Additional Information
Australia	Australian Dollar	
Botswana	Pula	US Dollars are widely accepted, although small change may be in local currency
Cambodia	Riel	US Dollars are widely accepted, although small change may be in local currency
China	Renminbi	
Hong Kong	Hong Kong Dollar	
India	Indian Rupee	Cash withdrawals are limited to R10,000 (approx. £110) per day and you cannot obtain Indian currency before arrival in the country. There are occasional problems withdrawing cash from ATMs, so it's worth taking some sterling or US dollars that can be changed locally at money exchanges.
Indonesia	Rupiah	ATMs in Indonesia have a maximum limit for withdrawals; sometimes it is 2,000,000Rp (approx. £115), but it can be as low as 500,000Rp (approx. £28)
Japan	Yen	Many establishments including restaurants still prefer cash to credit cards even in cities
New Zealand	New Zealand Dollar	
Singapore	Singapore Dollar	
South Africa	Rand	
Thailand	Baht	
U.A.E.	Dirhams	
Vietnam	Dong	Be prepared to pay cash for any purchased items on your cruise on Halong Bay, as limited Wi-Fi means card machines rarely work
Zimbabwe	Zimbabwe Dollar	The Zimbabwe dollar cannot be obtained before entering Zimbabwe

No matter which country you are travelling to please take note of the following general advice;

- ATMs are generally available in major cities, less so in rural areas.
- Credit cards are generally widely accepted in the majority of hotels, cruises, larger international restaurants and shops, although be aware credit card payments may incur an additional fee.
- If purchasing small items or purchasing from local shops, restaurants and markets, local currency (unless advised on our currency chart) is always recommended.
- Outside of major cities, with the exception of hotels, local currency is always recommended.
- If you are planning to use your debit or credit card whilst travelling, advise your bank of your travel plans in advance so you do not encounter potential problems when trying to withdraw cash or make a payment.
- When you change money, ask for some small bills and keep these, along with coins separate from the larger ones, so that they're readily accessible. Carrying small notes and coins separately is also handy for tipping.
- It is always worth carrying a small amount of UK Sterling or US Dollars as these can always be readily exchanged.
- Keep your exchange receipts as these may be needed if you want to exchange any remaining currency you have at the end of your trip.

Currency cards are now a popular way of buying currency. You can pre-load these before leaving the UK and many also offer advantageous exchange rates. If travelling to multiple countries, different currencies can be loaded and money can even be loaded for ATM cash withdrawals. We suggest two companies. Caxton, ideal for withdrawing cash from ATMs and Revolut, ideal for making card payments.

For further benefits on using currency cards, more information on both companies and relevant website links, please visit www.distantjourneys.co.uk.

Tipping

Tipping varies vastly from country to country. In places like India, Cambodia, China and Vietnam where wages are low, tipping is greatly appreciated. Yet in Japan, tipping is not a practised custom anywhere in the country. Some countries automatically add a service charge to bills whereas others, leave to the discretion of the customer.

If you have received great service from your Tour Manager, guides or driver you may wish to tip them for their service. We are frequently asked for guidance on this and would suggest a minimum of £2-£3 per person, per guide and per driver per touring day, dependent on your level of satisfaction.

For more details information on the tipping practices of each country and appropriate amounts, please refer to the Distant Journeys website.

Baggage allowance

You're entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 160cm (63 inches) and weight 20kg (44lbs). Please be aware that in most instances, this will be less than the airlines' permitted allowance. Luggage is restricted to accommodate for coach capacity, domestic flights and where applicable local health and safety laws. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried.

Personal and valuable items such as cameras, medication, money / credit cards etc. should be carried in a travel bag or on your person.

If travelling on our Very Best of Japan tour on day 11 and day 14 we will send our main luggage by separate transfer. If taking advantage of our Ryokan experience we suggest a small overnight bag.

Airline seats

With many airlines you can pre-book your seats prior to check in to give you a wider choice of seat selection. Please note, many airlines now charge for this service. Pre-selected seating is not guaranteed and can be charged at the airlines discretion.

Domestic flights

All domestic flights within our tours are booked on a group basis. Your tour manager will fully assist with the check in process for these flights.

Freedom Days

During your tour, you can book a range of additional optional excursions and activities. These are at an additional cost, subject to availability and seasonal operations, and may be subject to minimum/maximum numbers. Where possible we allow for these to be booked locally with your Tour Manager, however, in some instances pre-booking will be required. When booking locally, in some countries these excursions can only be paid for in cash.

Details on the Freedom Day experiences available for your tour, along with costs and information on how to book, may be found on our website alongside the itineraries of each individual tour.

Public holidays

On occasions some of our tours may be travelling during National or Public Holidays, some of which are religious. In some instances, this can mean a limitation of services, or reduced opening hours for shops and restaurants. Alternatively, it may mean that some attractions are much busier than normal. For more detailed information, please refer to the Distant Journeys website.

Seat rotation on coaches

We offer a fair system of seat rotation to allow all passengers to experience a variety of views. Exceptions cannot be made to this policy.

Smoking

Smoking, including electronic cigarettes, is not allowed at any time onboard our coaches or any flight. Within hotels, smoking and the use of electronic cigarettes may be restricted to designated areas. We'll endeavour to ensure there are frequent stops on any coach trip, however we can't guarantee smoking facilities will always be available. It is also worth noting some countries are beginning to ban the use of electronic cigarettes. We recommend you check for up-to-date information before you travel.

Tour Manager

An experienced English-speaking Tour Manager or Coach Captain accompanies every tour. In some countries your Coach Captain will also be your guide. They are there to ensure your comfort, answer your questions and make your holiday relaxed and memorable.

Travel extras

Distant Journeys now offer you a range of travel extras – from airport transfers, or airport parking and hotels, to security fast track and airport lounges. For more information and prices on the range of extras available to book, please visit the Distant Journeys website.

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore you will benefit from all EU rights applying to the packages. We, Distant Journeys Limited, a company registered in England with company number 08994196 and registered office at 8 Hattersley Court, Ormskirk, Lancashire, L39 2AY, will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that it becomes/they become insolvent.

Key rights under the Package Travel and Linked Travel Arrangements Regulations 2018.

- Travellers will receive all essential information about the package before concluding the package travel contract.
- There is always at least one trader who is liable for the proper performance of all the travel services included in the contract.
- Travellers are given an emergency telephone number or details of a contact point where they can get in touch with the organiser or the travel agent.
- Travellers may transfer the package to another person, on reasonable notice and possibly subject to additional costs.
- The price of the package may only be increased if specific costs rise (for instance fuel prices), and if expressly provided for in the contract, and in any event not later than 20 days before the start of the package. If the price increase exceeds 8% of the price of the package, the traveller may terminate the contract. If the organiser reserves the right to a price increase, the traveller has a right to a price reduction if there is a decrease in the relevant costs.
- Travellers may terminate the contract without paying any termination fee and get a full refund of any payments if any of the essential elements of the package, other than the price, has changed significantly. If before the start of the package the trader responsible for the package cancels the package, travellers are entitled to a refund and compensation where appropriate.
- Travellers may terminate the contract without paying any termination fee before the start of the package in the event of exceptional circumstances, for instance if there are serious security problems at the destination which are likely to affect the package.
- Additionally, travellers may at any time before the start of the package terminate the contract in return for an appropriate and justifiable termination fee.
- If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. Travellers may terminate the contract without paying any termination fee, where services are not performed in accordance with the contract and this substantially affects the performance of the package and the organiser fails to remedy the problem.
- Travellers are also entitled to a price reduction or compensation for damages or both where the travel services are not performed or are improperly performed.
- The organiser has to provide assistance if the traveller is in difficulty.
- If the organiser becomes insolvent, payments will be refunded. If the organiser becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured. Distant Journeys Limited has taken out insolvency protection for flight-only booking and flight inclusive packages by way of our Air Travel Organiser's Licence number 10913, issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email: claims@caa.co.uk.
- Travellers may contact this entity if services are denied because of Distant Journeys Limited's insolvency. Please see our Booking Conditions for further information.

Booking Conditions

1. Important

The following terms and conditions together with our privacy policy, the general information contained in our tour brochure and any other written information we brought to your attention before we confirmed your booking form the basis of your contract with Distant Journeys Limited, a company registered in England with company number 08994196 and registered office at 8 Hattersley Court, Ormskirk, Lancashire, L39 2AY ("we", "us", "our"). Please read them carefully as they set out our respective rights and obligations. In these Booking Conditions references to "you" and "your" include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is added or transferred.

Except where otherwise stated, these booking conditions only apply to the tour arrangements shown in this brochure (including accommodation required both before and after your main holiday and activities and other services) which you book with us and pay for before departure from the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you.

All references in these booking conditions to "holiday", "booking", "tour" or "arrangements" mean such tour arrangements unless otherwise stated. All bookings are made pursuant to these terms and conditions. **Please be aware that your deposit is non-refundable.**

By making a booking, the first named person on the booking agrees on behalf of all persons detailed on the booking that:

- he/she has read these Booking Conditions and has the authority to and does agree to be bound by them;
- he/she consents to our use of information personal data in accordance with our Privacy Policy and is authorised on behalf of all persons named on the booking to disclose their personal details to us, including where applicable special categories of data (such as information on health conditions or disabilities and dietary requirements);
- he/she is over 18 years of age and resident in the United Kingdom and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services;
- he/she accepts financial responsibility for payment of the booking on behalf of all persons detailed on the booking.

2. In these booking conditions:

"Force Majeure" means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include, but are not limited to (whether actual or threatened) war, terrorism, fire, chemical or biological disaster, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, riots or civil disturbances, acts of government, government agencies or other authorities, inability to obtain any necessary licence or consent through no fault of ours and any other event or circumstances beyond the control of us or any supplier of any part of your tour.

Brexit implications; please note that certain travel arrangements may be affected as a result of the United Kingdom's decision to leave the European Union. This could include an unavailability of certain flight routes, access to certain ports and airports and changes to the visa requirements of British citizens travelling to, within or through the EU. Please rest assured that this is something we will continue to monitor and will advise our customers as soon as possible if we become aware of any confirmed bookings that will be affected. However, since this is something which is completely unprecedented and outside our control, we would treat any such changes as Force Majeure, and whilst we will endeavour to provide suitable alternative arrangements or refunds where possible, we will not be liable to pay you any compensation.

3. Fitness to travel, disabilities and medical problems

Many of our itineraries include sightseeing tours which may involve walking for medium to long periods of time and over uneven surfaces. Steps may also feature, either as part of a tour or within your accommodation. Different modes of transport, such as jeep and safari vehicles, sampans and rickshaws may also be used.

It is therefore a condition of booking that you are fit and able to take care of yourself for the duration of the tour and recognise that if you do have any disabilities or walking difficulties you may find access to certain attractions restricted.

If you are in any doubt of your suitability for any of our tours, have reduced mobility in any way, have any medical condition, or any special requirements as a result of any medical condition or disability (including any which affect the booking process), it is essential you discuss this with us before making a booking so that

we can assist you in considering the suitability of the arrangements and/or making the booking.

We regret that we cannot provide individual assistance to a passenger for walking, dining, pushing their wheelchair, getting on and off motor coaches or other transportation vehicles or other personal needs. Therefore, passengers who need such assistance, or passengers with disabilities or special needs must be accompanied by a companion capable of providing all assistance required.

We reserve the right to refuse to carry any person who we deem cannot fully care for themselves on tour without assistance or whenever we reasonably feel unable to accommodate the needs or restrictions of any particular passenger. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking.

We further reserve the right to cancel your booking and impose cancellation charges if we are not fully advised of any relevant disability or medical condition at the time the booking is made and/ or promptly notified of any development, change or deterioration occurring after booking. On occasions, the decision to cancel can only be made at the time the person concerned joins the tour as it may only be apparent at this stage that their disability or medical condition cannot be accommodated.

Any passenger affected by a disability or medical condition must ensure they have notified this to their travel insurers and that their travel insurance will cover it. We may refuse to allow you on the tour or may have to terminate your participation in your tour if your mental or physical condition is such as to render you, in the reasonable opinion of any representative of ours or any carrier or other person in authority, incapable of caring for yourself or a hazard to yourself or other passengers.

We will not be liable for any expenses arising from your being precluded from joining or completing the tour for any such reason and no refunds or compensation will be paid.

Mobility aids

If you are planning to take a mobility scooter or other mobility aid please be aware each airline has their own restrictions in regards to what they will carry. This can include, but is not limited to, battery wattage, size and weight. It is your responsibility to ensure you have checked that you meet the airlines requirements. We cannot accept any liability if you are refused boarding or unable to take intended equipment.

Destination specific terms

We use different suppliers in each of the destinations in which we offer tours. Some of the suppliers which we use are unfortunately unable to accommodate particular disabilities or mobility issues and we have set out a brief description of these below:

China Tours: Due to the limited accessibility to many of the sights and the boarding facilities available on the Yangtze cruise, our tours to China are not suitable for wheelchair bound customers or customers with limited or restricted walking abilities.

Australia Tours: If you are taking your own wheelchair when travelling on The Ghan you will be required to use one of the local supplier's wheelchairs for the duration of the journey on the train.

South Africa Tours: Rovos Rail is unfortunately unable to accommodate the use of wheelchairs on their trains.

Please Note: The above is not an exhaustive list and we would still strongly advise that you contact us to discuss any disability which you have so that we can ensure that your chosen tour is suitable for your needs.

4. Minimum number of bookings

The operation of all tours is conditional on us securing the minimum number of bookings required to operate the tour and to ensure an enjoyable group atmosphere. The minimum number which we aim for in respect of each tour is 15 travellers. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled tour. Please also see clause 14. We will endeavour to make any decision to cancel or significantly change a tour no less than 60 days prior to the scheduled departure date of the tour but in any event will notify you no less than 30 days prior to the departure date of the tour.

If you are offered a new travel date as a result of this clause 4, it is your responsibility to advise your travel insurance company of your new travel dates. We are not liable for any loss in failed insurance claims if you fail to do this.

5. Special requests

If you have any special requests (including dietary requirements) you must notify us at the time of booking. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. Failure to meet any special request will not be a breach of contract by us unless the request has been specifically confirmed by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed by us in writing, all special requests are subject to availability. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

If you have any food allergies which may cause significant health issues, you must tell us before you confirm your booking. Whilst our partners will try to accommodate any such requests, it is your responsibility to ensure that you actively avoid any food you are allergic to and make all appropriate enquiries to establish the ingredients contained within any food. The supplier is not under any obligation to prepare or provide special meals.

6. Booking and making payment for your arrangements

To secure any booking, you must pay the applicable deposit or full payment if booking 90 days or less before the start of the tour. The deposit is £1,000 per person if travelling in economy flight class, £1,950 per person if travelling in premium economy class or £3,750 per person if travelling in business flight class. Where fares are higher than our standard rates, an additional deposit may be required. We reserve the right to return your deposit and decline to issue a booking confirmation at our absolute discretion. The deposit or full payment, as applicable, must be received by us within 7 days of booking to ensure your place on the tour is held. Bookings will be automatically cancelled if the applicable deposit or full payment, as applicable, is not received by us within this 7 day period and we will have no further liability to you. We will not refund your deposit in such circumstances. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you have adequate insurance to cover this.

The balance of the tour price (after deduction of the applicable deposit) must be received by us no less than 90 days prior to the start of your tour. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to believe that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in clause 15 depending on the date we reasonably treat your booking as cancelled.

Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

Please Note: If you are a single passenger, the applicable single supplement will be added to your invoice at the time of your booking. We will aim to accommodate single passengers in twin or double rooms, with single occupancy.

7. Your contract

Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name"). If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will also issue you with an ATOL Certificate. Upon receipt, if you believe that any details on the ATOL Certificate or confirmation invoice or any other document are wrong you must advise us immediately as changes cannot be made later and it may harm your rights if we are not notified of any inaccuracies in any document within ten days of our sending it out (five days for tickets).

A binding contract between you and us comes into existence when we dispatch our confirmation invoice for all bookings.

8. Law and jurisdiction

We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings

must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

9. What are your obligations whilst on tour?

(a) You must follow the Tour Manager's or, where applicable, Coach Captain's instructions at all times to ensure on tour safety. You acknowledge that failure to do so may result in restricted access to places of interest on tour or, if necessary for your own safety and/or that of other passengers, withdrawal from the tour. (b) All our customers are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of others. If we, or our staff or suppliers, are of the view you are negatively affecting your own health, safety or environment or that of other passengers, we can oblige you to withdraw from the tour immediately and we will terminate your booking with us with immediate effect. We will have no further obligations to you and/or your party and we will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the tour, you must make your own return travel arrangements at your own expense. No refunds for lost accommodation or any other arrangements will be made. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. (c) You must make your own enquiries regarding your tour, including being aware of any relevant government travel or safety warnings.

10. Tour price

Prices shown in our brochures and on the website are believed correct at the time of publication. We reserve the right to alter our advertised (brochure or website) tour prices, introduce supplements or correct pricing errors at any time before your booking is confirmed. We also reserve the right to correct any errors in any tour price and not be legally bound in the case of incorrect pricing and acknowledgement of such an error does not mean acceptance of it. We will advise you of any error of which we are aware and of the revised applicable price at the time of booking. Once the tour price has been confirmed at the time of booking, clause 11 below will apply.

11. Price Promise

Our Price Promise is designed to provide peace of mind. **Early booking offers:** Whilst we may offer promotional discounts and/or additional inclusions on some tours, these offers reduce in value closer to the departure date meaning the earlier you book the better offer you will receive. Last minute discounts: It is our policy never to sell any holiday cheaper than originally advertised. In the unlikely event we reduce the price of your holiday to below what you have already paid (after any discounts have been applied), we will contact you to refund the difference. **No surcharges*:** We guarantee that no surcharge will be added to the basic price of your holiday once your booking has been confirmed, irrespective of any fluctuation in currency exchange rates, increases in international included economy air fares, or increases in other costs associated with your holiday other than the circumstances set out in the paragraph below which are expressly excluded from the price promise. In return for this guarantee and its risk to us, we shall not be able to make any refunds in the event of favourable exchange rate variations or other decreases in costs which would otherwise result in the reduction of the selling price except for the circumstances identified in the paragraph below. **Price match:** Price match applies to an identical holiday operated by another tour operator (excluding travel agents and arrangements made independently) at the same or a lower price within 7 days of booking with us. By 'identical holiday', we mean one which: (i) departs on the same day from the same airport, with the same flight number and carrier, (ii) visits the same destination(s) for the same duration and offers the same number of included excursions/meals, (iii) features the same accommodation and board basis, and (iv) utilises the same services of a Tour Manager/Coach Captain. If this happens we will refund the difference between the cost of the holiday you have booked with us and the price of the identical holiday offered by the competitor. Plus, we will give you £200 per person towards a future booking. Our Price Promise applies once a booking is confirmed and a contract exists between us. It applies to tour prices only and does not include ad hoc or optional services such as airline upgrades, holiday additions, extended stays or regional connecting flights. Additionally, this price promise does not apply to optional services including, but not limited to; visa charges, excursions and amendment fees.

***Exclusion:** The price promise excludes surcharges which are a direct consequence of changes in the level of taxes or fees chargeable for services applicable to the holiday imposed by third parties not directly involved in the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports. Where such circumstances apply, you will be charged for the amount of any increase in accordance with this clause. However, if this means that you have to pay an increase of more than 8% of the price of your

confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on your final invoice. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, then any refund due will be paid to you less an administrative fee of £25. There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

12. Tour features

The features of the tour are set out in the tour brochure. We make no representations about the features of any tour other than those expressly set out in the tour brochure and these terms and conditions.

13. Brochure validity

The tour brochure and these terms and conditions are valid for the departure dates as stated in the tour brochure, or additional departure dates we may introduce, unless otherwise expressly advised by us.

14. Variation or cancellation by us

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. We reserve the right to alter or change the accommodation, carriers, vehicles, vessels or any other service(s) which form part of any tour at any time for any reason and cancel or alter the itinerary and/or tour at any time without notice as we consider necessary for any reason whatsoever including road, weather or traffic conditions, non-performance of suppliers, industrial action, operational conditions and requirements, water level problems, excessive winds or Force Majeure. Errors in the details of advertised and/or confirmed tours and/or other details occasionally occur and we reserve the right to correct these whenever they occur.

- In the event of industrial action affecting air, rail, cruise or other tour related transportation we will make every effort to contact the lead name and advise of alternative arrangements (if any).
- Most changes made to a confirmed tour are minor. If we make a minor change to your holiday, we will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but we will have no liability to you. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change.
- Occasionally, we have to make a significant change to or cancel a confirmed tour and we reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your tour. Examples of "significant changes" include the following, when made before departure:

- A change of accommodation area for the whole or a significant part of your time away.
- A change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- A change of outward departure time or overall length of your arrangements by more than 12 hours.
- A change of UK departure airport except between:
 - The London airports: Gatwick, Heathrow, Luton, Stansted, London City and Southend
 - The South Coast airports: Southampton, Bournemouth and Exeter
 - The South Western airports: Cardiff and Bristol
 - The Midlands airports: Birmingham, East Midlands and Doncaster Sheffield
 - The Northern airports: Liverpool, Manchester and Leeds Bradford
 - The North Eastern airports: Newcastle and Teesside
 - The Scottish airports: Edinburgh, Glasgow, Prestwick and Aberdeen
- A significant change to your itinerary, missing out one or more destination entirely.

We will not cancel your travel arrangements less than 90 days before your departure date, except for reasons of force majeure, failure by you to pay the final balance or where the minimum number of clients required for a particular tour is not reached.

- If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the following options: (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available, with you paying a supplement if the alternative arrangements are more

expensive than those originally booked (you will receive a refund if you select an alternative which is of lower value) or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. You must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again, we will assume that you have chosen to accept the change or alternative booking arrangements. Please note, the above options are not available where any change made is a minor one.

- If we have to make a significant change to or cancel a confirmed tour, we will in addition to the options set out above pay you reasonable compensation in the following circumstances:

- If, where we make a significant change, you do not accept the changed arrangements and cancel your booking; or
- If we cancel your booking and no alternative arrangements are available and/or we do not offer one.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure within which notice of Cancellation or major change is notified to you	Compensation payable per person booking
91 days or more	Nil
75 - 90 days prior to departure	£10
60 - 74 days prior to departure	£20
30 - 59 days prior to departure	£30
Less than 30 days prior to departure	£40

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

- where we make a minor change;
- where we make a significant change or cancel your arrangements more than 90 days before departure;
- where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- where we have to cancel your arrangements as a result of your failure to make full payment on time;
- where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- where we cancel due to insufficient bookings;
- where we are forced to cancel or change your arrangements due to Force Majeure.

Very rarely, we may become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed. If that occurs we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

15. Amendment or cancellation by you

If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. Whilst we will do our best to assist, it may not always be possible to make such amendments. Where we can, an amendment fee of £75 per person will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers in making this change. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. A change of tour dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the tour price where, for example, the basis on which the price of the original tour was calculated has changed. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable in accordance with these booking conditions.

Transfer of booking:

If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- that person is introduced by you and satisfies all the conditions applicable to the holiday;
- we are notified not less than 7 days before departure;
- you pay any outstanding balance payment, an amendment fee of £75 per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and
- the transferee agrees to these booking conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out below will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Important Note: Certain arrangements may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements. Air Passenger Duty will always be non-refundable.

You may cancel your booking by notice to us in writing, this may be by letter or email, and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day). Should one or more member of a party cancel, it may increase the per person holiday price of those still travelling and you will be liable to pay this increase.

The following cancellation fees apply to each individual person who cancels and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation fees

Period before your tour commences within which written notification of cancellation is received by us:

Tour cancellation period	Fee per person
More than 90 days prior to departure	Loss of Deposit
90 days to 75 days prior to departure	50% of holiday price
74 days to 60 days prior to departure	60% of holiday price
59 days to 30 days prior to departure	75% of holiday price
30 days prior to departure or less	100% of holiday price

NB Transferring to another departure date is highly likely to be treated as a cancellation by our suppliers and the cancellation fees above will apply. Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Important Note: Certain arrangements may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements. Air Passenger Duty will always be non-refundable.

Cancellation by you due to unavoidable & extraordinary circumstances:

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of “unavoidable and extraordinary circumstances” occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. For the purposes of this clause, “unavoidable and extraordinary circumstances” means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

This clause 15 outlines the rights you have if you wish to cancel your booking. Please note that there is no automatic statutory right of cancellation under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 (Directive 2011/83/EU).

16. Our liability

- (1) We will accept responsibility for the arrangements we agree to provide or arrange for you as an “organiser” under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these Booking Conditions, if we or our suppliers negligently perform or arrange those services and we don't remedy or resolve your complaint within a reasonable period of time, and this has affected the enjoyment of your package holiday you may be entitled to an appropriate price reduction or compensation or both. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. The level of any such price reduction or compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these Booking Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.
- (2) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:
 - (a) the acts and/or omissions of the person affected; or
 - (b) the acts and/or omissions of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
 - (c) Force Majeure.
- (3) We limit the amount of compensation we may have to pay you if we are found liable under this clause:
 - (a) loss of and/or damage to any luggage or mobility aids or

personal possessions and money: the maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

- (b) Claims not falling under (a) above and which don't involve injury, illness or death: the maximum amount we will have to pay you in respect of these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.
- (c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel:
 - i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air), The Athens Convention (with respect to sea travel), The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these Conventions from our offices. Please contact us. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of your contract with us, as well as with the transport company and that those 'Conditions of Carriage' shall be deemed to be included by reference into this contract.
 - ii) In any circumstances in which a carrier is liable to you by virtue of EC 261/2004 (denied boarding and flight disruption), any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.
 - iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.
- (4) It is a condition of our acceptance of liability under this clause that you notify any claim to us and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.
- (5) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to us or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.
- (6) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description:
 - (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you;
 - (b) relate to any business;
 - (c) indirect or consequential loss of any kind.
- (7) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.
- (8) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to “unavoidable and extraordinary circumstances”, we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs at least 48 hours before the start of your holiday. For the purposes of this clause, “unavoidable and extraordinary circumstances” mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

17. Carriers

The applicable conditions of sale / carriage in use by the carriers will apply to you. These may limit or exclude the carriers' liability to you, usually in accordance with international conventions. Copies of these are available on request.

18. Risk and travel insurance

You acknowledge and accept that there are inherent risks associated with our tours, for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations, forces of nature, political unrest and accident, illness, epidemics or pandemics in regions without means of rapid evacuation or medical facilities. We cannot accept any liability regarding the provision of medical care or the adequacy of any care that may be rendered where it is provided by third parties.

We cannot accept bookings for any persons without adequate travel insurance. We insist you take out appropriate travel insurance to cover as a minimum: cancellation by you, loss of luggage, early return following death of a relative as defined in the respective proposal forms or emergency repatriation for example in the event of accident or illness. You must also ensure that it covers you for the specific risks outlined above. Please read your policy details carefully and take them with you on your tour. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs. If you choose to travel without adequate insurance cover, we will not be liable for any losses no matter how arising, in respect of which insurance cover would otherwise have been available.

19. Itinerary changes and travel advice

During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

Your safety is our first consideration and if the Foreign Office advises against travel to a certain country, we act on this advice. The Foreign Office issues regular advice and updates on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure. You are responsible for making yourself aware of Foreign Office advice in regard to the safety of the countries and areas in which you will be travelling and to make your decisions accordingly.

20. Baggage allowance

You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 160cm (63 inches) and weight 20kg (44 lbs)(or for tours to India, 23kg (50lbs)). Hand luggage must have a total sum of its length, width and height not exceeding 115cm (45 inches) and weight 5kg (11lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

21. Young travellers

Travellers who are less than 16 years old on the departure date must be accompanied by and share a room with an adult aged 16 or over. Children under 8 years of age cannot be accepted on our tours.

22. Complaints

If a problem occurs during your tour, you must advise our representative (South Africa only - or appropriate manager, senior personal, when travelling on Rovos Rail) immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your tour. You must also advise the supplier concerned. If your complaint is not resolved locally, please contact us by email at info@distantjourneys.co.uk or call 01695 577 961.

If you remain dissatisfied, any complaint must ideally be made in writing to us giving full details within 30 days of the end of the tour. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result.

You can access the European Commission Online Dispute Resolution (ODR) platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

23. Tour price and duration

All prices in this brochure are quoted in English pounds (Sterling). All prices in this brochure are believed to be correct to the best of our knowledge at the time of printing but errors may occur and prices are subject to change. You must therefore ensure you check all details of your chosen tour (including the price) with us at the time of booking. The number of days duration stated in each itinerary includes day of departure and day of return. Tour durations may vary should you choose to have a stopover, and airline flight schedules and the itineraries in this brochure should be used as a guide only.

24. Included in your fare

All airfares from the UK in economy class (unless specified at the time of booking), coach travel and overseas transfers* whilst travelling as part of the group or on one of our organised stopover programmes, service of a Tour Manager or Coach Captain (if applicable), portorage whilst on tour, airport transfers, meals as specified, accommodation as specified (please note, the third bed in a triple room may be a rollaway bed), sightseeing and admissions and other services as expressly indicated in the itinerary.

* Please note should you be travelling outside of the main group travel dates from or to the UK transfers are not included on any outbound or return stopovers. These are available to purchase at an additional cost.

NOT included in your fare

Meals not specified in the itinerary, drinks unless specified in the itinerary, laundry, passport and visa fees, Dubai Tourism tax (if stopping over), expenses of a personal nature and any other items which are not expressly included in the cost of your tour. Changes to flight schedules may require additional overnight accommodation at either commencement or completion of tour which is at your own expense.

25. Airfare conditions

Your Distant Journeys travel expert will book the most appropriate fare for your tour based on the information you provide to us. Full details and conditions may be obtained from your travel expert. Changes to original tickets will incur amendment or cancellation fees, are subject to availability and surcharges may apply. Please see clause 15 above. Please note: all airfares are subject to routing restrictions. Airfares and applicable taxes are subject to increase without notice due to fare and tax changes, surcharges dependent on class available at time of booking and other factors outside our control, subject to the provisions of clause 11 (Price Promise) above. Please contact your travel consultant for the applicable rules and regulations.

At the time of booking please ensure you supply your first name and surname as they appear in your passport, as these must be stated on your flight ticket. In some instances, the airline will also request your middle name. You may not be able to travel if the name on your passport and documents do not match. Any costs for ticket changes due to an incorrect name on paperwork which has been sent to you, will result in a cost which we will pass on to you.

In addition to the above, a number of Governments are introducing new requirements for air carriers to provide personal information about all travellers on their aircraft to the Authorities before the aircraft leaves the UK. The data will be collected either at the airport when you check in or in some circumstances when, or after you make your booking. Accordingly, you are advised to allow extra time to check in for your flight. Where we collect this data, we will treat it in accordance with our privacy policy

26. Flights

For flight inclusive tours, the flight timings given on booking are for general guidance only and are subject to change. The latest timings will be shown on your confirmation documents. As flights only become available to book around 11 months in advance, we are only able to confirm upgrade prices at time of booking your flights. However, the actual flight times will be those shown on your tickets which will be dispatched to you approximately two weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been dispatched - we will contact you as soon as possible if this occurs. Distant Journeys has no control over the allocation of seats by the airline, and even if you have requested or made payment directly with the airline to pre-book seats, no guarantees can be made. The provision of such seats does not constitute a term of your contract with Distant Journeys.

In accordance with EU Directive (EC) No 2111/2005, we are required to bring to your attention the existence of a “Community List” which contains details of air carriers that are subject to an operating ban within the European Union. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. Any change in the identity of the carrier, flight timings, and/ or aircraft type (where advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these terms and conditions. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 12 will apply.

If you suffer a delay in your outbound travel arrangements, we will do our best to ensure you make the start of your tour or, if this cannot be achieved, join it as soon as possible. Any costs we incur in making any alternative arrangements in this situation where the delay was due to your own actions will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in the definition of “Force Majeure” (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in

conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If the airline does not comply with these rules, you may complain to the CAA on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk – Referring Your Complaint to the CAA.

A number of Governments are introducing new requirements for air carriers to provide personal information about all travellers on their aircraft to the Authorities before the aircraft leaves the UK. The data will be collected either at the airport when you check in or in some circumstances when, or after you make your booking. Accordingly, you are advised to allow extra time to check in for your flight. Where we collect this data, we will treat it in accordance with our privacy policy.

27. Passports and visas

You must have a valid passport with at least 6 months validity following your return date. It is your responsibility to ensure any visas required for countries to be visited on the tour have been obtained prior to the tour departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular excursions and may be denied boarding and/ or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We can only provide general information about this. You must check requirements for your own specific circumstances with the relevant Embassies and/or Consulates as applicable. Requirements do change and you must check the up to date position in good time before departure. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

28. Insolvency protection

We provide financial security for flight-inclusive packages and ATOL protected flights by way of our Air Travel Organiser's Licence number 10913, issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email: claims@caa.co.uk.

When you buy an ATOL protected product from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom and European Economic Area (EEA).

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

If you book arrangements other than a package holiday which includes a flight from us, your monies will not be financially protected. Please ask us for further details.

29. Coaches

To ensure all passengers have the opportunity to enjoy front and window seats, a daily seat rotation system is employed on all of our coaches and you must follow the seat rotation system.

If you suffer from travel sickness, you should arrange medication or other alternatives to treat symptoms as we cannot make allowances in the seat rotation policy for this, in fairness to other guests.

30. Optional activities and dining

Optional activities and dining are subject to availability, seasonal / operational factors and minimum / maximum numbers. More details on optional tours may be found on our website. On occasion, it may not be possible to arrange an included activity. Suitable alternatives will be arranged. Inclusions may also be subject to change.

31. Vaccines, medication and medical services

Health facilities, hygiene and disease risks vary worldwide. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions for the countries you are visiting and ensure that vaccinations or preventative measures are taken early enough to be fully effective by the date of travel. You should take health advice about your specific needs as early as possible and recognise that advice may change, prior to your departure. Please see the Foreign Office website www.gov.uk/foreign-traveladvice and NHS Before you Travel website on www.nhs.uk/live-well/healthybody/before-you-travel/ for up to date information.

It is your responsibility to ensure that any medication you need to carry is permitted to be taken into the countries you are visiting. We recommend you consult with your GP and relevant embassy before booking and review in good time before your departure as advice may change. Any medical services and costs required on tour are at your expense. We strongly recommend suitable and adequate travel insurance.

32. Images, photographs, maps and information

The photographs in the brochure and information provided represent typical scenes and descriptive detail for each tour, but it is possible that the subject matter may not be seen or experienced whilst on the tour itself. Some pictures may have been digitally enhanced.

Maps or tour depictions contained in this brochure or any other brochures issued by Distant Journeys, are intended as an indication only and should not be relied upon as the actual route taken during the tour. Distant Journeys are not liable to you for any variation to the tour.

33. Prompt assistance

If, whilst you are on holiday, you find yourself in difficulty for any reason, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and assistance with distance communications and finding alternative travel arrangements. Where you require assistance which is not owing to any failure by us, our employees or sub-contractors we will not be liable for the costs of any alternative travel arrangements or other such assistance you require. Any supplier, airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these Booking Conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements. Furthermore, we reserve the right to charge you a fee for our assistance in the event that the difficulty is caused intentionally by you or a member of your party, or otherwise through your or your party's negligence.

34. Conditions of suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from us or the supplier concerned.

35. Amendments to terms and conditions

These terms and conditions may be subject to amendment from time to time. Amendments will be posted on the Distant Journeys website www.distantjourneys.co.uk.
