Days 8 to 13: Bay of Islands - Rotorua - Christchurch - Franz Josef

Day 8: Bay of Islands

Tour Highlight

Visiting this stunning area wouldn't be complete without a cruise around the Bay of Islands, no doubt one of your tour highlights. Cruise via Red Head Passage to Cape Brett and Piercy Island and on to the famous 'Hole in the Rock'. In these world-famous deep-fishing grounds dolphins and schools of fish are frequently seen. Although our day has been left at leisure, we have the opportunity to join a fantastic optional trip to Cape Reinga. This full day excursion visits the northern tip of New Zealand, where the Tasman Sea meets the Pacific Ocean. The area holds special spiritual significance in Maori tradition, as the place where Maori spirits return to their traditional homeland, Hawaiki-A-Nui, via the roots of a lone (and still standing) 800 year old pohutukawa tree. Highlights of today's tour include magnificent coastal landscapes, the Te Pahi sand dunes and a drive along Ninety Mile Beach. **Breakfast included**

Day 22: Christchurch, Overnight

This morning, our travels take us north once more. We stop at Hampden Beach to witness the geological curiosities known as the Moeraki Boulders, huge spherical boulders which are scattered along the beach, whilst others can be seen emerging from the sandstone cliffs. Each boulder weighs several tonnes and is up to two metres in diameter. According to Maori legend, the boulders are gourds washed ashore from the great voyaging canoe Araiteuru when it was wrecked upon landfall in New Zealand hundreds of years ago. Scientists explain the boulders as calcite concretions formed about 65 million years ago. The soft mudstone containing the boulders was raised from the seabed around 15 million years ago and waves, wind and rain are excavating them one by one. Later in the day we arrive at the Distinction Hotel in Christchurch for our final night in New Zealand.

Breakfast included
