OUR DISTANT JOURNEYS...

Kenya is like no other place I have been. It’s an absolute wildlife paradise with national parks and reserves teeming with opportunities to see the Big Five and beyond. Being able to travel all over the country, I was in awe of the varied landscapes, from the vast savannahs of Samburu to the awe-inspiring backdrop of Mount Kilimanjaro in Amboseli National Park. Cultural experiences such as exploring Nairobi with the locals or visiting a Maasai tribe and learning their traditions, made for such a memorable trip.

OUR DISTANT JOURNEYS...

I visited Kenya to volunteer at an orphanage. Lake Naivasha was breathtaking, with its mesmerising population of flamingos and hippos, and the experience of being alongside giraffes, zebras, monkeys, impala and wildebeests was truly magical. I also stayed in Maasailand overlooking watering holes, with panoramic views of Mount Kilimanjaro. Seeing elephants roam free in their natural habitat and unforgettable jeep safaris, even spotting a pride of lions, are moments I will cherish forever.

Hand-Picked Hotels

Distant Journeys appreciate the hotels in which you stay are an integral part of your holiday, which is why we take great care in hand-picking all the accommodation featured in our itineraries.

Location and quality are always paramount considerations, and we always strive to provide the best of both.

Hotel ratings

Each property has been personally inspected whilst planning our holidays, and you can be confident the hotels featured in this brochure have been carefully selected for their location, quality, facilities and level of service.

We understand from many years of experience that accommodation ratings may vary from country to country. We therefore provide our own ratings, which are based on the expectations of guests from the United Kingdom, alongside the official hotel rating. Please visit distantjourneys.co.uk/VBOK for more information on the hotels included on this tour.

Location, location, location

Relax in the knowledge that every hotel has been carefully chosen to allow you to make the most of each destination you visit. For example, in Samburu National Reserve we stay at Samburu Simba Lodge, which offers envious views over the park for spotting elephants and gazing at the stunning sunsets.

Character and charm

Some hotels are more than just a place to rest. Whilst staying on the shores of Lake Naivasha, we stay amongst the lush greenery surrounding Lake Naivasha Simba Lodge, where you can admire bush views from your room and stroll around the immaculately kept lawns.

Natural world

The Ark in Aberdare National Park is ideally situated overlooking a waterhole and salt lick and gives our guests fantastic wildlife viewing opportunities from one of four dedicated viewing areas.

WE RECOMMEND...

Mara Maisha Camp is a magnificent tented camp located only 4.5km from the Maasai Mara National Reserve. Enjoy spacious tents decorated with custom-designed furniture made from local bush logs as well as an open-terraced restaurant, perfect for indulging in freshly-prepared cuisine using fruits and vegetables from their own farm. In the evenings it can get chilly, so gathering around the fire with your fellow guests is a must, where you can reminisce about the day's game drives.

Upon arrival, we will transfer to the charming Movenpick Residences for an overnight stay. **In-flight meals and drinks included**

Day 2: Aberdare National Park, Overnight Tour Highlight

This morning, we meet our fellow travellers over breakfast followed by a short safari briefing with our Local Guides. Then, it's time to board our safari vehicles and journey northeast. We stop at Aberdare Country Club for lunch, then take our small overnight bags to our unique accommodation in Aberdare National Park. Tucked into the forest of the National Park, The Ark overlooks a waterhole and salt lick, attracting herds of elephants, rhinos and buffalo, which can be seen from one of three viewing decks. Day 3: Samburu National Reserve, 2 nights

Following breakfast, we begin our journey further north. En-route, there may be an opportunity to view Mount Kenya, the second highest peak in Africa, if cloud coverage allows. We cross the equator as we travel into the arid landscape of the tranquil Samburu National Reserve. The Ewaso Ng'iro River provides hydration for the abundant wildlife that call the reserve home, attracting elephants, leopards, cheetahs and crocodiles as well as the rare northern 'special five' (Grevy's zebra, reticulated giraffe, Somali ostrich, beisa oryx and gerenuk). We enjoy our first game drive this afternoon before dinner at Samburu Simba Lodge, our home for the next two nights. **Breakfast, lunch and dinner included**

Day 4: Samburu National Reserve

An early start for our morning game drive in the reserve. Wild dog sightings are common in Samburu, as well as a vast variety of birdlife, with over 450 recorded species. We return to our lodge for a hearty lunch. In the afternoon, perhaps take a refreshing dip in the swimming pool to cool off, with its beautiful views over the savannah and a further chance to spot wildlife. This afternoon we embark on our second game drive followed by the obligatory cocktail and dinner at the lodge with views of the stunning sunset. **Breakfast, lunch and dinner included**

Famous for its dense population of hippos, at times the lake turns a magnificent shade of pink as an abundance of flamingos congregate on its waters. We arrive at Lake Naivasha Simba Lodge for a two-night stay. The rest of the day is free to spend at leisure, so why not relax by the pool or take a stroll around the grounds, where you may spot wandering giraffe and grazing hippos. **Breakfast, lunch and dinner included**

Tour Highlight

Another day in paradise with a half day of game viewing in Lake Nakuru National Park. The lake is famous for its population of millions of flamingos as well as 400 species of birds. As well as the endangered Rothschild giraffe, hyena and leopard sightings have increased in recent years. Following lunch, we enjoy a boat safari on Lake Naivasha in search of wildlife and birdlife, including fish eagles, pied kingfishers, spoonbills and white-breasted cormorants to name a few. The Nai Nami Street Tour takes us on a walking tour through some of Nairobi's informal settlements, where we learn about the daily lives of the residents and gain an insight into the challenges faced. The tour includes visits to community projects and local businesses, as well as interactions with residents and local children. We discover the history and architecture of Nairobi, including landmarks such as the Nairobi Railway Museum and City Hall. The tour concludes with a visit to a traditional African restaurant, where we sample Kenyan cuisine and enjoy cultural performances. Our overnight stay is at the Movenpick Residences. **Breakfast, lunch and dinner included**
